REFERENDUM TRY AGAIN

On the 16th of December, which is only a few weeks from now, the High School will once again be running a referendum. This is not the first time that the school has run a referendum, but if passed it will be the first time that it will have been run successfully.

Many people upon hearing the word "referendum" will immediately reject it because it means more money that will have to be dished out to another supposedly needy group. But sadly enough, too many people don't know what the referendum is all about, what it means, and where this additional money that is calling for will go? Therefore the Antioch News has taken it upon themselves to serve as a vehicle for some vital information concerning the referendum, and answer some pertinent question such as:

What is the referendum for? Why is it necessary to increase the Education Tax Rate?; What effect will the tax rate increase have on taxes?; etc.

The referendum is a request to increase the Education Fund rate from .92 cents to \$1.32 per \$100 assessed valuation. It is necessary to increase the education tax rate because, the Education Fund is running a deficit, because of the squeeze between rising costs and lagging revenues.

This tax rate increase will have an effect on Taxes as follows: If your property has a market value of \$10,000 and an Assessed Valuation of \$5,000 then the increased cost per year would be \$20.00. Likewise, if the market value is \$25,000 and the assessed valuation is \$12,500, the increased cost per year would be \$50.

Many people have asked what the board of education has done to hold down spending, since the failure of the last referendum. According to information passed out by the high school, "the most important change since the defeat of the recent

referendum is the reduction of the 72-73 budget by \$100,000.00. What these large figures represent is the loss of twelve capable teachers, the loss of one-half of the athletic program, the loss of one half of the music program, the loss of

DR FITCH SPEAKS TONIGHT

Dr. Franklin Fitch will be at St. Peter Schol. Wednesday, November 29th at 8:00 p.m. to share with parents an overview of various phases of social health and sex education.

You are urged to attend and invited to bring neighbors and friends who might profit from the lecture.

Dr. Franklin R. Fitch was the Executive Director of the Institute for Sex Education (formerly the Illinois Social Hygiene League) from 1950 to 1968 and was its Director of Professional Services until 1971, at which time he became Director of Professional Services, Emeritus. Until 1967 he was also Associate Professor of Dermatology at the Northwestern University School of Medicine where he served as a consultant on venereal disease.

Dr. Fitch is a graduate of the University of Illinois College of Medicine. He served 4 years in the Army Medical Corps during World War II, his last military assignment having been as Venereal Disease Control Officer in Paris.

For 15 years he was a member of the Board of Managers of the Illinois Congress of Parents and Teachers, during which time he served as Social Hygiene Chairman, as a Departmental

Vice President and as Third Vice President.

Dr. Fitch has been engaged in social health education since 1930 and has written and lectured extensively on various phases of social health and family life and sex education.

Dr. Fitch was appointed in 1965 to the Illinois Sex Education Advisory Board and has helped in formulating policies for sex education programs in the public schools of Illinois.

On January 1, 1971 he retired as Director of Professional Services, but continues to serve the Institute on a part-time basis as lecturer and teacher.

POST OFFICE LISTS

HOLIDAY HOURS

Christmas Card Week

Your Postmaster Mr. Barnes has designated December 10 through December 16, 1972, as **CHRISTMAS CARD WEEK**. Avoid the last minute rush. Mail your ZIP Coded greetings during **CHRISTMAS CARD WEEK**. Colorful 8 cent Christmas Postage Stamps are available at all post offices. All greeting cards, whether sealed or unsealed, must have postage of 8 cents for each ounce. ON Saturdays December 9 and 16 the Post Office will be open until 5:00 p.m.

DALE NEEDS YOUR HELP

Dale Chase is only nine years old. And for a little boy he is faced with a serious problem. He owes 140 pints of blood to the Children's Memorial Hospital in Chicago. You see Dale has a disease that is known as hemophilia, which causes profuse and uncontrollable bleeding even from slight wounds.

Dale is the son of Mr. and Mrs. David Chase of Lake Villa, Illinois formerly of Antioch.

He is not only 140 pints behind, but he will probably require that much more blood in the future. Recognizing Dale's plight, the Prince of Peace Mother's Club, Brownie Troop 126, and Junior Girl Scout Troop 216 have organized a blood drive in Dale's behalf.

The Drive will be held at the Prince of Peace Church on December 17th from 8:00 a.m. until 2:00 p.m. The Chicago Blood Donor Service Incorporated, which is a professional, non-profit organization will be working in conjunction with the sponsoring groups. Since the group is a non-profit organization, Dale will receive full credit for each pint that is given.

Have a heart and call 356-3141 for an appointment to help Dale.

LIONS CLUB PASSES REFERENDUM RESOLUTION

On Monday night, November 27, 1972, the Antioch Lion's Club met for their annual Wild Game Dinner at the Angles Restaurant. During the business meeting a motion was made to make a resolution in support of the upcoming High School Referendum. The motion was carried by a majority vote.

RESOLUTION:

Whereas: Antioch Community High School, District No. 117, Antioch, Illinois, is conducting a tax referendum for the fourth time on Saturday, December 16, 1972, to increase the educational fund rate, and

Whereas: Additional Funds are urgently needed to re-instate full and comprehensive programs in academic, non-academic and extra-curricular areas and to improve the financial condition of the district, and

Whereas: Superior education should be the goal of our community so that ACHS graduates can successfully compete for jobs, career training, technical apprenticeship programs and qualify for attendance in the various institutions of higher learning, and

Whereas: Excellent schools are our most important community asset encouraging families to reside in the Antioch Community, to develop businesses and industries, to purchase goods, and services in our retail and business establishments and to participate in the religious, civic and fraternal organizations.

Now therefore be it resolved:

That we, the members of the Antioch Lions Club, in keeping with our tradition of working toward excellence in all aspects of community life support and excellence in all aspects of community life support and strongly encourage other citizens to support the Educational Tax Referendum on December 16th so that excellent education can again be available for our girls and boys. Thus enabling the Antioch Community to continue to prosper and to grow.

Adoption Monday, November 27, 1972

REVIVING THE CHRISTMAS SEASON

Now that Thanksgiving is already a week in the past, we are lost in a mania that is presently known as a Holiday called Christmas. It is a time of year in which people go berserk and money flows freely. Shopping centers are full of half crazed people earnestly looking for scores of Christmas gifts. What these people are actually looking for they are not quite sure, but they are going to find it.

Throughout the whole ordeal tempers flare as they impatiently wait for the well meaning clerk, who waits on everybody but themselves. Many times it does not matter what the gift is as long as it is big and shiny and expensive looking.

Store owners capitalize on the season as they push all of the holiday's musts. They actually start their pre-holiday push in October, and then proceed to wear the season raw in the months that follow. The shopper is encouraged to shop early and often and is offered these great bargains that are really sky high compared to its out of season price.

For months now the Saturday and weekday commercials have displayed glittering and expensive toys that by far surpass any of their kind. These toys are designed to record your own voice, to walk, talk, disappear and a few other fantastic things. Lifetime capacity for these advanced toys is sadly enough not more than two weeks in most cases.

And when you really stop to think about it, all of the many glittering lights of the season seem to reflect a shallow feeling of mustered up happiness and joy.

Many people really forget what Christmas is all about. It is in all actuality the beginning of Christianity. It is a beginning of a doctrine that seeks to replace that idea of an eye for an eye and a tooth for a tooth with the philosophy of a love for all mankind. What ever happened to the simplicity of Christmas?

Will Christmas continue to grow to further disproportions? Who knows maybe soon you will hear Carrolers singing "Deck the Halls with Gobs of Money" and "TIS The Season to Spend Money" and when you do you will know that all is lost.

Before it is too late, try not to get lost in the season's bizarre rush of madness. Try to make this season special, try to make it meaningful in your own way for yourself and for your family. If Christmas continues to follow the materialistic path that it is on, that shining star of long ago will soon disappear in the clouds of destruction.

"Every hometown is 'Our Town'...good or bad...clean or stinking...growing or going to pot...because we are a part of it and responsible for its success or failure....It is high time that we drop the 'Why don't 'They' do something' and substitute 'Why don't 'WE' do...' for our town...state...and nation."

Letters to the Editor on any current issues are welcome. Only letters with names can be considered for this column. Signatures will be withheld on request. Letters cannot be returned and are subject to minor editing.

EDITORS NOTE:

The following article appeared in the Lindenhurst News earlier this month. Although the article is directed towards the citizens of Lindenhurst, it was felt that the article had meaning for all people that are concerned with the quality of education at the Antioch Community High School. With Mr. Fear's permission we are reprinting his article for our readers.

NO MORE CUTS

by: Larry Fears

At the October meeting of the Antioch Community High School Board of Education a decision was made that will affect all citizens of Lindenhurst and particularly those that have children at Antioch High or about to enter Antioch High. The Board voted, by a unanimous decision, to make "no more cuts in the educational program."

As many of you are aware, the Board has cut approximately \$200,000 in expenses from the Educational Fund budget; this was done to minimize our deficit spending. Of major importance was the elimination of twelve teaching positions. With a student enrollment of over 1400 students many of the classes have soared to 30-35 students per session. With the elimination of one administrator and one guidance counselor, the work load on the staff personnel has increased 33 percent.

The other cuts were those that received the most attention in the last referendum attempt. They are the cutting of one half of the athletic program and all activities that were incurring a monetary increment paid to the sponsor.

At the October meeting, the Board was faced with the decision of the possibility of cutting the remainder of the athletic program. For your knowledge Glen Moore and I were intending to vote for this cut if there was the remotest possibility of cutting one more teaching position. It was your representatives that pushed hard for the motion that there would be no more cuts of any type. We are no longer going to punish the students by making additional cuts, when our past referendums have shown little adult interest in our attempts to maintain a stable financial position.

To relieve immediate anxieties of some people who have just read the above paragraph, Glen and I will not vote to reverse the trend and "open the floodgates" of Educational Fund spending. If we were to do this, the school district would be out of money within the next year!! Even with the cuts, our Educational Fund budget projects an additional deficit of \$77,000; this will put the total deficit over \$450,000. Next year, with increases in costs, will probably find the deficit for that year larger than this year's. And the trend goes on.

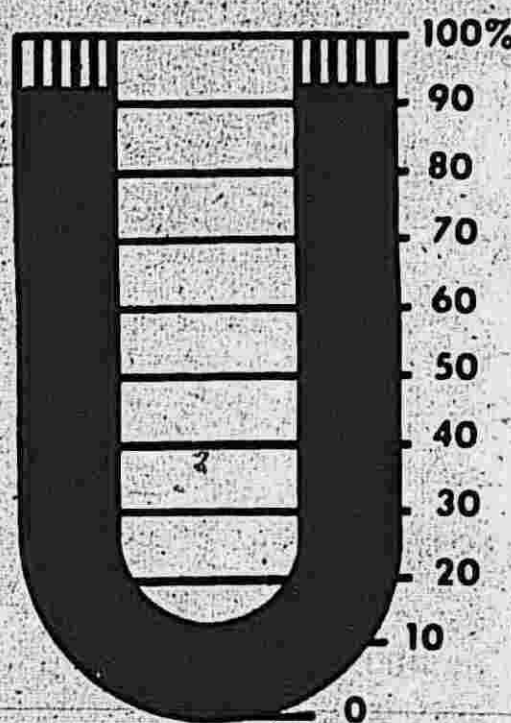

You may have heard that the Board is going for another referendum; this is true, and the date has been set for December 16th. The increase will be for the same 40 cent increase that we have asked for in the last three referendums; to lower that figure would be facetious; by holding at that figure means that our break-even point is moving farther away as the debt keeps mounting.

There will be no "Threats" of future cuts if the referendum doesn't pass; we already feel the educational program is inadequate! This next year, our freshman class will have 75 more students than our senior class will graduate. The class sizes continue to increase!

At a special meeting on November 1st, the Board unanimously approved the motion that A.C.H.S. will not participate in the study for the proposed Area Vocational Training Center; I made the motion and Glen seconded; we don't have the \$1,000 to finance our share of the study.

In the last referendum, Lindenhurst was the only precinct to vote to approve its passage; Glen and I were proud of that fact and let the other Board members know it. Is it possible that we can show that same power on December 16th?

THE MANY SIDES OF KUREK

High School is a very important time of life. Many of the most important decisions of the future are made at that time. It is not easy to decide what you are going to do for the rest of your life when you are between the ages of 14-19. You feel unprepared to answer earthshaking questions, such as: Should you go to College; Should you get married? Should you begin a military career? Would a particular trade school be right for you? Would a vocational school serve you the best? The worst part about these important questions is that they have to be answered by each of these individual themselves; and there isn't just one set answer that someone can tell them.

Parents can help these students on a personal level and the school tries to help these students on both an academic and personal level. They do this through the help of their Guidance counselor, who is better known as Mr. Kurek.

Mr. Kurek's job is two-fold. He is in charge of Personnel Services and is the acting Curriculum Director.

Director of Pupil Personnel services is a many and varied job. He must make recommendations to the principal for: student reassignments; the placement of students in classes upon initial entry into the high school. He must supervise and direct guidance staff, social workers, health services and clerical personnel in the conduct of the school pupil personnel services. He must organize the guidance staff so as to provide for group and individual guidance as appropriate in the following areas:

a. Educational information on college and other post high school training and assistance in enrolling.

b. Vocational information on occupational fields and assistance in matching interests and abilities with appropriate vocational choices. Assist in job placement as practicable.

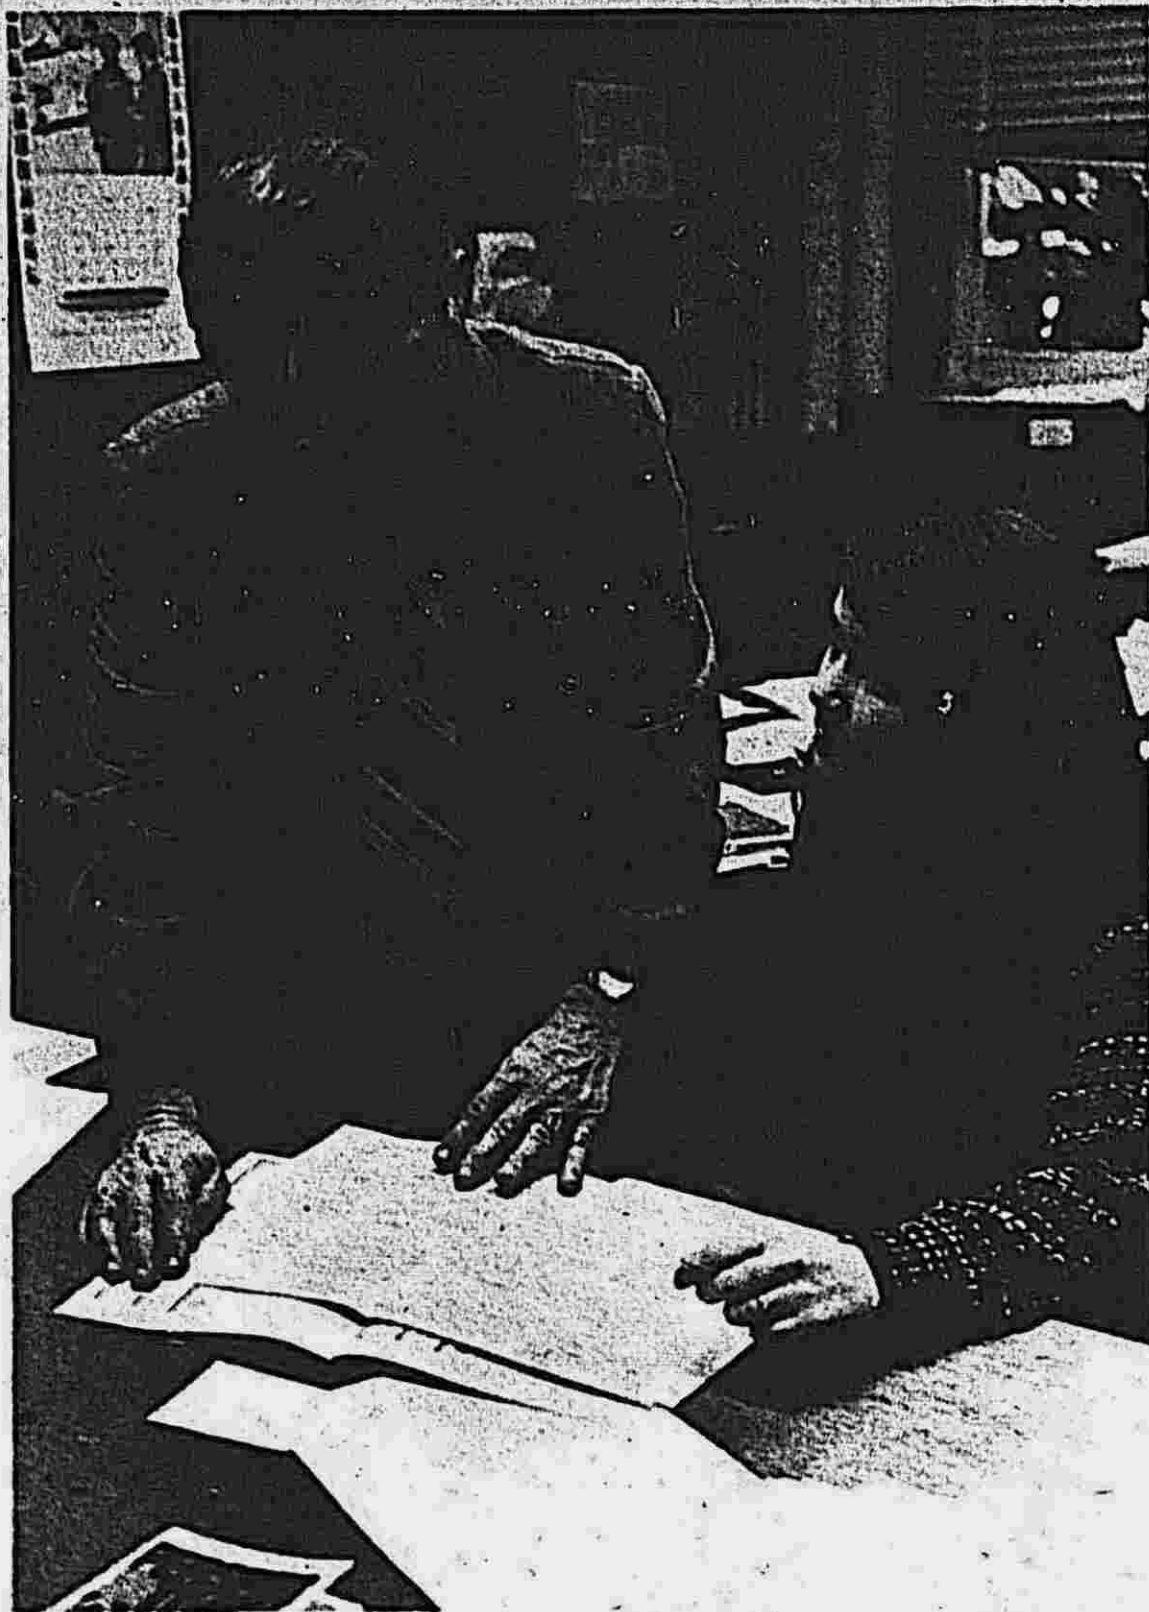

c. Personal-counsel with students and parents for students as appropriate for optimum adjustment to the high school, community and family. To help the student to develop a realistic self-concept toward the end of self-improvement and meeting responsibility to self and to Society.

And the list of Kurek's duties goes on and on. However, Kurek, is more than qualified to carry out these duties. He has been with the Antioch High School for the past nine years. He has received his undergraduate degree from Northern Illinois in Secondary Education with a minor in social Studies. He received his masters degree in Guidance from the University of Oklahoma.

From his position he is pretty well able to make several observations about the "Sometimes 50 students" that he sees on a daily basis.

Two-thirds of the students continue on with their education in some form after they graduate. It may be carried on by attending college, Junior College. (last year 72 seniors from the high school enrolled in the Lake County College), nursing schools, vocational schools, business schools, etc.

The remaining two-thirds of

ED KUREK

the students either get married, joined a branch of the military service or began a job. Many of the later group enrolled in an apprentice program in which they work days and go to school nights.

The high school tries to prepare the students for whatever they may decide to do. A curriculum guide is

published each year that contains the courses that are offered and the necessary courses that are needed for each field. If a student is headed toward college then he must take college prep courses such as history, english, languages, etc. But if a student is heading directly towards the business field he may take: Business

REFERENDUM TRY AGAIN

CONTINUED

extra-curricular activities, and more. The loss of the teachers alone worsens what was already one of the worst pupil-teacher ratio in the Lake County High Schools."

If the referendum is passed, when will the District actually realize the money derived from it?

The Board of Education can revise the school levy no later than the 31st of December. The County Treasurer will start distributing money to the District on this levy about July 1, 1973 for use during the school year 1973-74.

The alternatives that will face the school if the referendum fails should also be considered. The school can do one of two things. They can continue deficit spending. (However, there are legal limits that cannot be exceeded, and the school projects that they will be within those limit in about one more year.) Or the school can continue to cut back on their already scanty programs.

It should be noted what programs have already been affected by cuts made by the board of education to date.

The extra curricular programs that have been affected

include: Instrumental and vocal programs, dramatics, art, athletics (all Freshmen and Junior Varsity Sports have been eliminated), Newspaper, yearbook and all other activities and clubs in which the monetary increment is paid including, prom, forensics, student council, Future Teachers of America, Girls Athletic Association, Color Guard, etc.)

Supportive services have been affected in the range of Audio-Visual Aids programs reduced counseling, transportation, lay supervisors and hall supervisors.

The Instructional programs have also been affected. Class sizes have been increased because the school has not been able to hire additional teachers for increased enrollment. The Adult Evening School has been discontinued. The school day has been shortened limiting program choices and there has been a reduction in course offerings. These evidences of reductions because of the financial situation that the school is in can be seen within every phase of the high schools educational system. The situation will continue to grow worse if the upcoming referendum is not passed.

Last month, when the board was trying to decide whether a successful referendum was possible or not, they decided they owed it to the students at the high school to give it a try. At that time someone seemed to boil the whole point of the referendum down to one question that should be answered by all who are involved before they vote:

"Do we really want our kids to receive a second rate education? Don't they receive a little bit more?"

Skills, Office Skills, Shorthand, Typing, Bookkeeping, Foods and Clothing. He may also take: Computer Programming and Data Processing, building trades, printing, auto mechanics, advanced electronics, power mechanics, and welding.

Considering all that is available to the student, it can be realized why their future decisions are tough ones and why Mr. Kurek's job is an important one.

REFERENDUM ALTERNATIVES

This article was brought to the ANTIOCH NEWS by Mr. Kessler who is on the PTA publicity committee for the Referendum.

There is a limit to the amount of money Antioch Community High School can borrow in order to operate. At the end of the 1971-72 school year, the deficit was approximately \$375,000. The projected deficit for the 1972-73 school year is an additional \$75,000 or a total debt of \$450,000.

The maximum indebtedness allowed by law in our case is approximately \$531.00. We will reach this limit in the next year or so.

If we do not pass an educational tax increase in the meantime, there are 4 alternatives to consider when the maximum indebtedness is reached:

1. Issue script to pay school employees
2. Reduce more staff
3. Attempt to sell 2nd year tax anticipation warrants
4. Close the school

All of these alternatives have a drastic and negative effect on not only the school but the community on a whole.

These facts are not meant to scare anyone but rather to keep everyone in our community informed so they can be knowledgeable when participating in the decision making process.

If the school doors are

CHRISTMAS SEALS IN MAIL

Residents in Lake County are currently receiving their 1972 Christmas seals, said Paul McNabb, President of the Lake County TB and RD Association. The seals have become such a Christmas tradition that many families may have forgotten how the seals originated.

Back in 1907, he said, a concerned Delaware woman named Emily Bissel sought ways of raising funds to prevent the closing of a TB hospital. She developed the first American Christmas Seal and sold it to raise the necessary money.

Up through 1918 the seals featured the American Red Cross. In 1919 the seal bore the red cross and, for the first time, the Cross of Lorraine. In 1920, and every year since, the now familiar double-barred cross has graced each and every Christmas Seal and symbolizes the unrelenting battle against TB, emphysema, and air pollution.

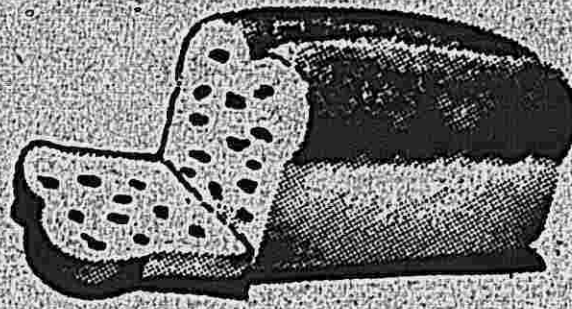

When you see the little red double-barred cross, McNabb said, you can be sure your contributions are at work helping the TB and RD Association do more in the fight for better health. They make possible hospital and university research in the search for the cure and prevention of respiratory diseases; they help provide statewide seminars to educate doctors, nurses, and interested professionals to the new developments in the field; they help promote support of legislation for better health education and stricter anti-pollution controls; and they help develop and promote newer and better methods for TB control in Lake County.

closed, what happens?

Ultimately, the state Office of Public Instruction annexes our school district to some other adjoining district and any semblance of home rule disappears.

Our obligation, as tax payer, would be to assume the educational tax rate of the district which absorbs us. Since all districts, except Warren are at a higher tax rate than we are now, our tax rate would be increased without any local voice in the matter.

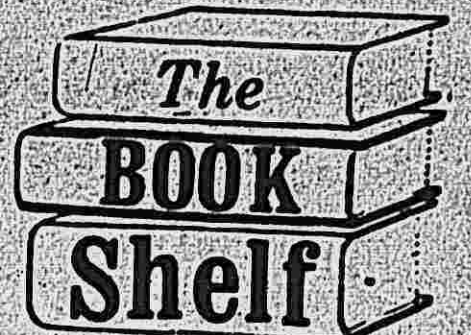

So what is the most logical alternative? It's obvious!!!

NUTTY BREAD

- 1 round loaf unsliced white bread
- 1/2 cup margarine
- 2 tablespoons Skippy peanut butter
- 3/4 cup Karo light corn syrup
- 1/2 cup chopped nuts

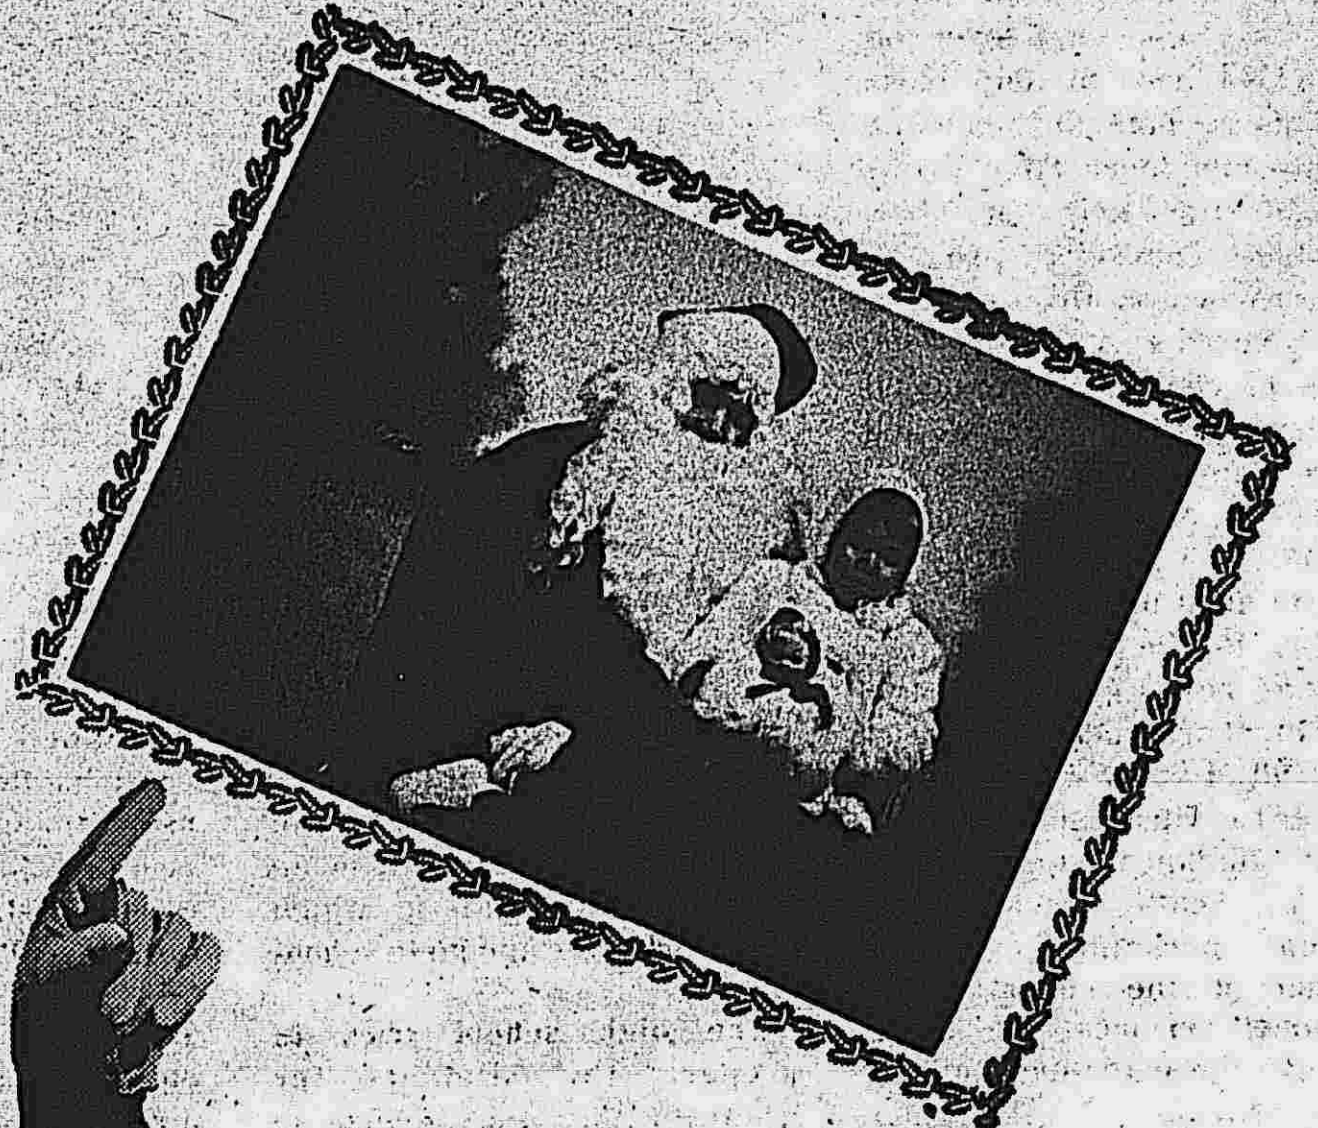

Slice bread vertically 5 to 7 times nearly to bottom of crust; then slice 5 to 7 times in opposite direction. Place on aluminum foil curved around base of bread in shallow baking pan. Melt margarine and blend in peanut butter in small saucepan over low heat. Stir in corn syrup. Spoon over top and sides of loaf drizzling mixture down all cut edges. Sprinkle nuts into cut edges and on top. Heat in 300°F. oven 15 minutes or until heated through. Note: One (1-pound) loaf of sliced firm bread may be used. Slice the loaf in half lengthwise and proceed as for round loaf.

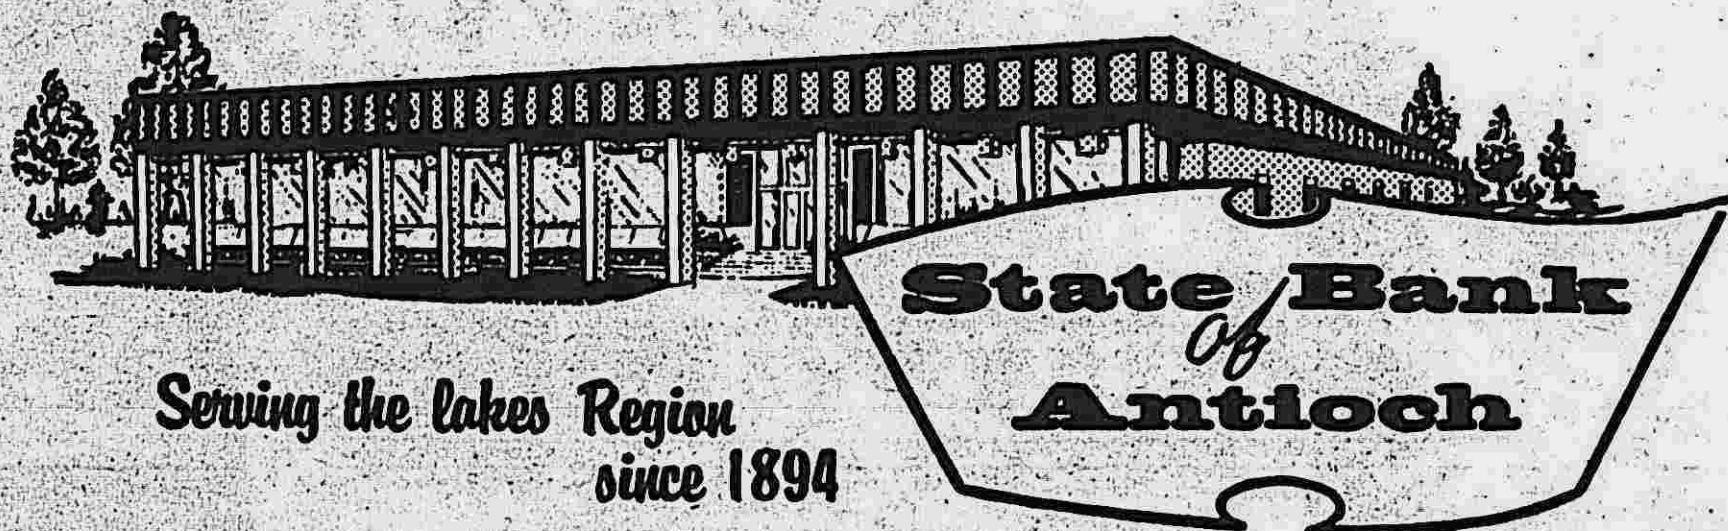

THE KINGMAKER by Henry Denker. Doctor Irwin Cone, whose mighty talent empire has been built with the assistance of the underworld, transforms a fading actor into a major political figure.

MY FRIEND SASHIE by Jane Duncan. Since her husband's death, Janet Sandison's existence seems meaningless until she befriends a flamboyant character called Sashie who draws her back into life.

70 YEARS AGO, NOVEMBER 27, 1902

Mrs. T. C. Richardson transacted business in Lake Villa Monday and Tuesday.

A farewell reception was held for F. N. Gaggin and wife at the home of Mrs. Carrie Hook. Gaggin moved to Waukegan to take up duties in his office as County Superintendent of Schools.

50 YEARS AGO, NOVEMBER 30, 1922

Mr. and Mrs. H. A. Radtke motored to Delevan Lake Sunday and spent the day visiting at the home of Mr. Schleda, a friend of Mr. Radtke.

William Story, Sr., has been appointed mail carrier from local post office. Walter Chinn was only temporary carrier.

25 YEARS AGO, NOVEMBER 27, 1947

Mr. and Mrs. Edward D. Jones celebrated their fiftieth wedding anniversary on Sunday November 30.

Misses Virginia Van Patten and Ann Graver were initiated into the Order of Rainbow Girls at a regular meeting, Monday evening at the Masonic Hall.

Thanksgiving, November 27th, James Walsh and Viola Pedersen were married at St. Peter's Church. Rev. Alfred Henderson performed the ceremony.

10 YEARS AGO, NOVEMBER 29, 1962

Fine Arts Dept. of Antioch High School will present its annual Xmas Concert on Sunday Dec. 2 at 8 p.m. Under the direction of Della Mae Tronchuk, the choir will be performing Benjamin Britton's "A Ceremony of Carols."

November 26, Jean Zeason and Edlith Bruski were accepted into Antioch's Assembly of Order of the Rainbow Girls.

DRUG RAID TURNS UP STOLEN GOODS

A drug raid in Antioch last Friday afternoon, not only turned up a pile of drugs, but it also uncovered \$5,000 of stolen goods.

The raid was made by the Lake County Sheriff's Department at Rte 3, Box 841, Tiffany Road in Antioch at the Robert M. Avery home. The deputies arrived at the Avery home at approximately 2 p.m. with a drug search warrant. Upon searching the house, they not only found the suspected drugs, but they also spotted several items that they believed to be stolen. The deputies returned with a warrant to search for stolen property and uncovered items in the house that had been stolen from at least eight different burglaries. The recovered stolen items totaling to \$5,000 in value included: a television set, a pistol, a Japanese war souvenir rifle, tools, car tape decks, and hi-fi equipment.

Arrested in the raid were: Robert Avery, 19, who was charged with possession of a

controlled substance, burglary, theft over \$150 and possession of marijuana. Robert's brother James, 19, was also charged with the same crimes.

Jerry Young, 19, of Rte 3, Antioch was charged with burglary and Ronald Hopper, 18, of Felters Subdivision was charged with the same.

This is not Ronald Hopper's first run in with the Lake County's Sheriff's Department this year. Last January he was involved with a police brutality suit in which former Lake County Deputy Sheriff William Dennis of Grayslake pleaded guilty to charges of official misconduct. Dennis had been charged with participating in the beating of Hopper following a high speed chase. Hopper had remained near the car after the driver had fled, and said that he was handcuffed and beaten when police caught up with the car.

All of the involved boys are being held in the Lake County Jail with bonds ranging from \$10,000 to \$13,000.

Remember When?

REMEMBER WHEN? We don't, but we know that all it takes sometimes is a little reminder to jerk a memory and bring back recollections of those days gone by. Each week we print an old photo submitted by an Antioch resident. Some we will be able to identify. For others, we leave it to you to search your own mental scrapbook. Call us if you can identify a photo. Better yet, if you have a memorable photo to share, bring it in to the office.

"CHRISTMAS AROUND THE WORLD" AT MUSEUM OF SCIENCE & INDUSTRY

The 31st annual "Christmas Around the World" program opened Saturday, November 25th at the Museum of Science and Industry in Chicago.

The month-long program will include 23 giant Christmas trees decorated by various ethnic groups, special choral concerts, theater pageants on how Christmas is celebrated in other countries, and traditional holiday meals from other lands.

Choral concerts by more than 80 Chicago area school and church choruses, choirs, and glee clubs will be presented three times each day beginning Monday, November 27, through Friday, December 22. Programs will be at 10:30 a.m., 12 noon, and 1 p.m. in the south court of the main rotunda.

The theater pageants on Christmas customs will be held from Friday, Dec. 1, through Sunday, Dec. 17, in the museum's main auditorium. The first performance will feature Christmas customs of Greece. Theater activities are at 7:30 p.m. weekdays and at 2, 3:30, 5 and 7:30 p.m. Saturdays and Sundays.

During the same period, different national meals will be served in the museum's dining rooms. For example, a Greek meal may be purchased on the night of the Greek performance.

Admission to the museum is free. The museum normally is open from 9:30 a.m. to 4 p.m. Monday through Saturdays and from 10 a.m. to 6 p.m. Sundays and holidays.

IT'S TIME TO BE IMMUNE

The students in all the schools in Lake County are being afforded the opportunity to continue their Polio Immunization or receive protection they may not have had before. All parents should make certain their children get the booster or initial dose by following the instructions issued by the school they attend. The grade school students will also receive

Rubella (measles) vaccine.

The high school is mailing forms to the homes of all its students. Parents be sure your youngsters return the form to school, signed by you on Wednesday, December 13, 1972. This is essential to assure protection against Polio which, as you know, was claiming the lives of many children but a few years ago.

These smiling beauties have all been restored and are ready for a sparkling new life, thanks to the efforts of the Shultis'. They will be given to "Toys for Tots" and will be distributed to needy children in the area. Mrs. Shultis preferred not to pose with her dolls. She said that she did not want any praise for her work, because so many people do good things everyday, and why should she get all the glory? (Staff Photo)

THE SHULTIS': IN A NEW PHASE OF LIFE

What do people do when they retire? Some people head for the golf course, join card clubs, play bingo, or take to the soap operas as an everyday ritual. Not so with Mr. and Mrs. Clarence Shultis, who have found a meaningful, productive, helpful and happy way to spend their days. You ask what their secret is? Well, actually it is no secret at all, they have spent this year the same way they have spent the last three years, repairing toys for "Toys for Tots."

"Toys for Tots" is a Marine Corps Reserves sponsored program that seeks to bring toys, games, sports equipment and dolls to needy children. These toys are donated by local residences and merchants for distribution to needy children at Christmas time. As most everyone knows, new toys are very expensive, but Mr. and Mrs. Shultis saw the possibility of recycling the old toys at a minimum cost.

Mrs. Shultis said that so many people in Antioch and from all over have helped them with their work. People have been bringing toys to them all year, they have been donating yarn and ribbons and other helpful items used in restoring toys.

Because of all the support that the Shultis' have received, their operation has been growing and growing; and has almost tripled in size since last year. Last year they repaired a forty dolls and this year they have repaired a mighty 121 dolls. Mr. Shultis has repaired more bicycles than ever before too. Production may have been even greater, but there has been a set back. Mr. Shultis is in Victory Memorial Hospital recovering from major surgery. He will be home soon and Mrs. Shultis hopes to have all of the toys packed and ready to go before he gets home. She knows her husband well and he is more than likely to be right in there working before he really should be. He is a very energetic person and upon seeing him you would never guess that he has some 76 years behind him, especially if you would happen to notice his sharp bell bottom pants. He loves new things as well as old. While he has been in the hospital, Mrs. Shultis has been saving him his "Antioch Weekly," the funny paper, and the "Tribune" crossword puzzle

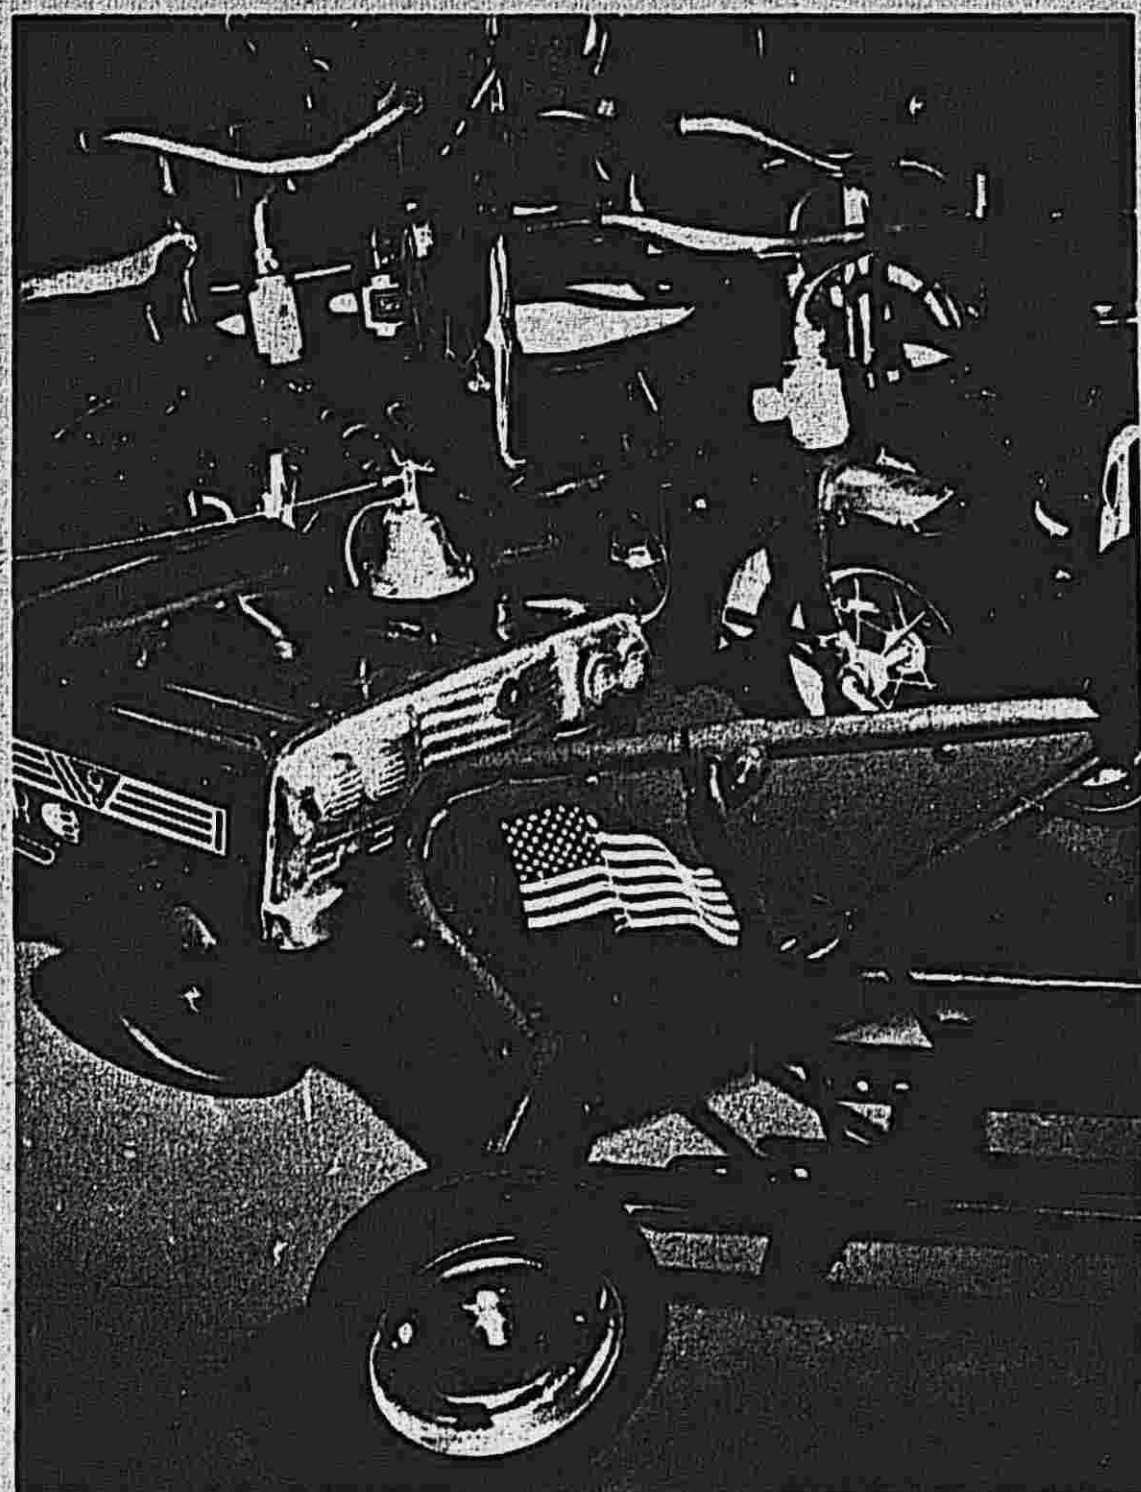

among other things.

But, in the Shultis basement the real action takes place. When you enter the basement, it is easy to tell just how busy the Shultis' have been. The many bicycles that have been meticulously pieced together look better than new, although all that is new on them are the

pedals and handle grips, and of course a shiny new paint job.

Mrs. Shultis said that her husband's favorite toy to repair is the fire engine, that would not be hard to guess, however, as Clarence was a volunteer fireman in Antioch for some 38

GATHERING OF INDIANS AND PILGRIMS

Mrs. Anderson's and Mrs. Dujenski's Kindergarten classes joined together last Wednesday for a real Thanksgiving gathering. All of the boys made Indian head-dresses for the occasion as the girls hand-fashioned pilgrim collars. All of the students took a turn at churning butter and they also cooked cranberries, which they served on crackers. The room mothers were on hand to help out and a good time was had by pilgrim and indian alike.

This little Indian seems to be enjoying his freshly churned butter on crackers. (Staff Photo)

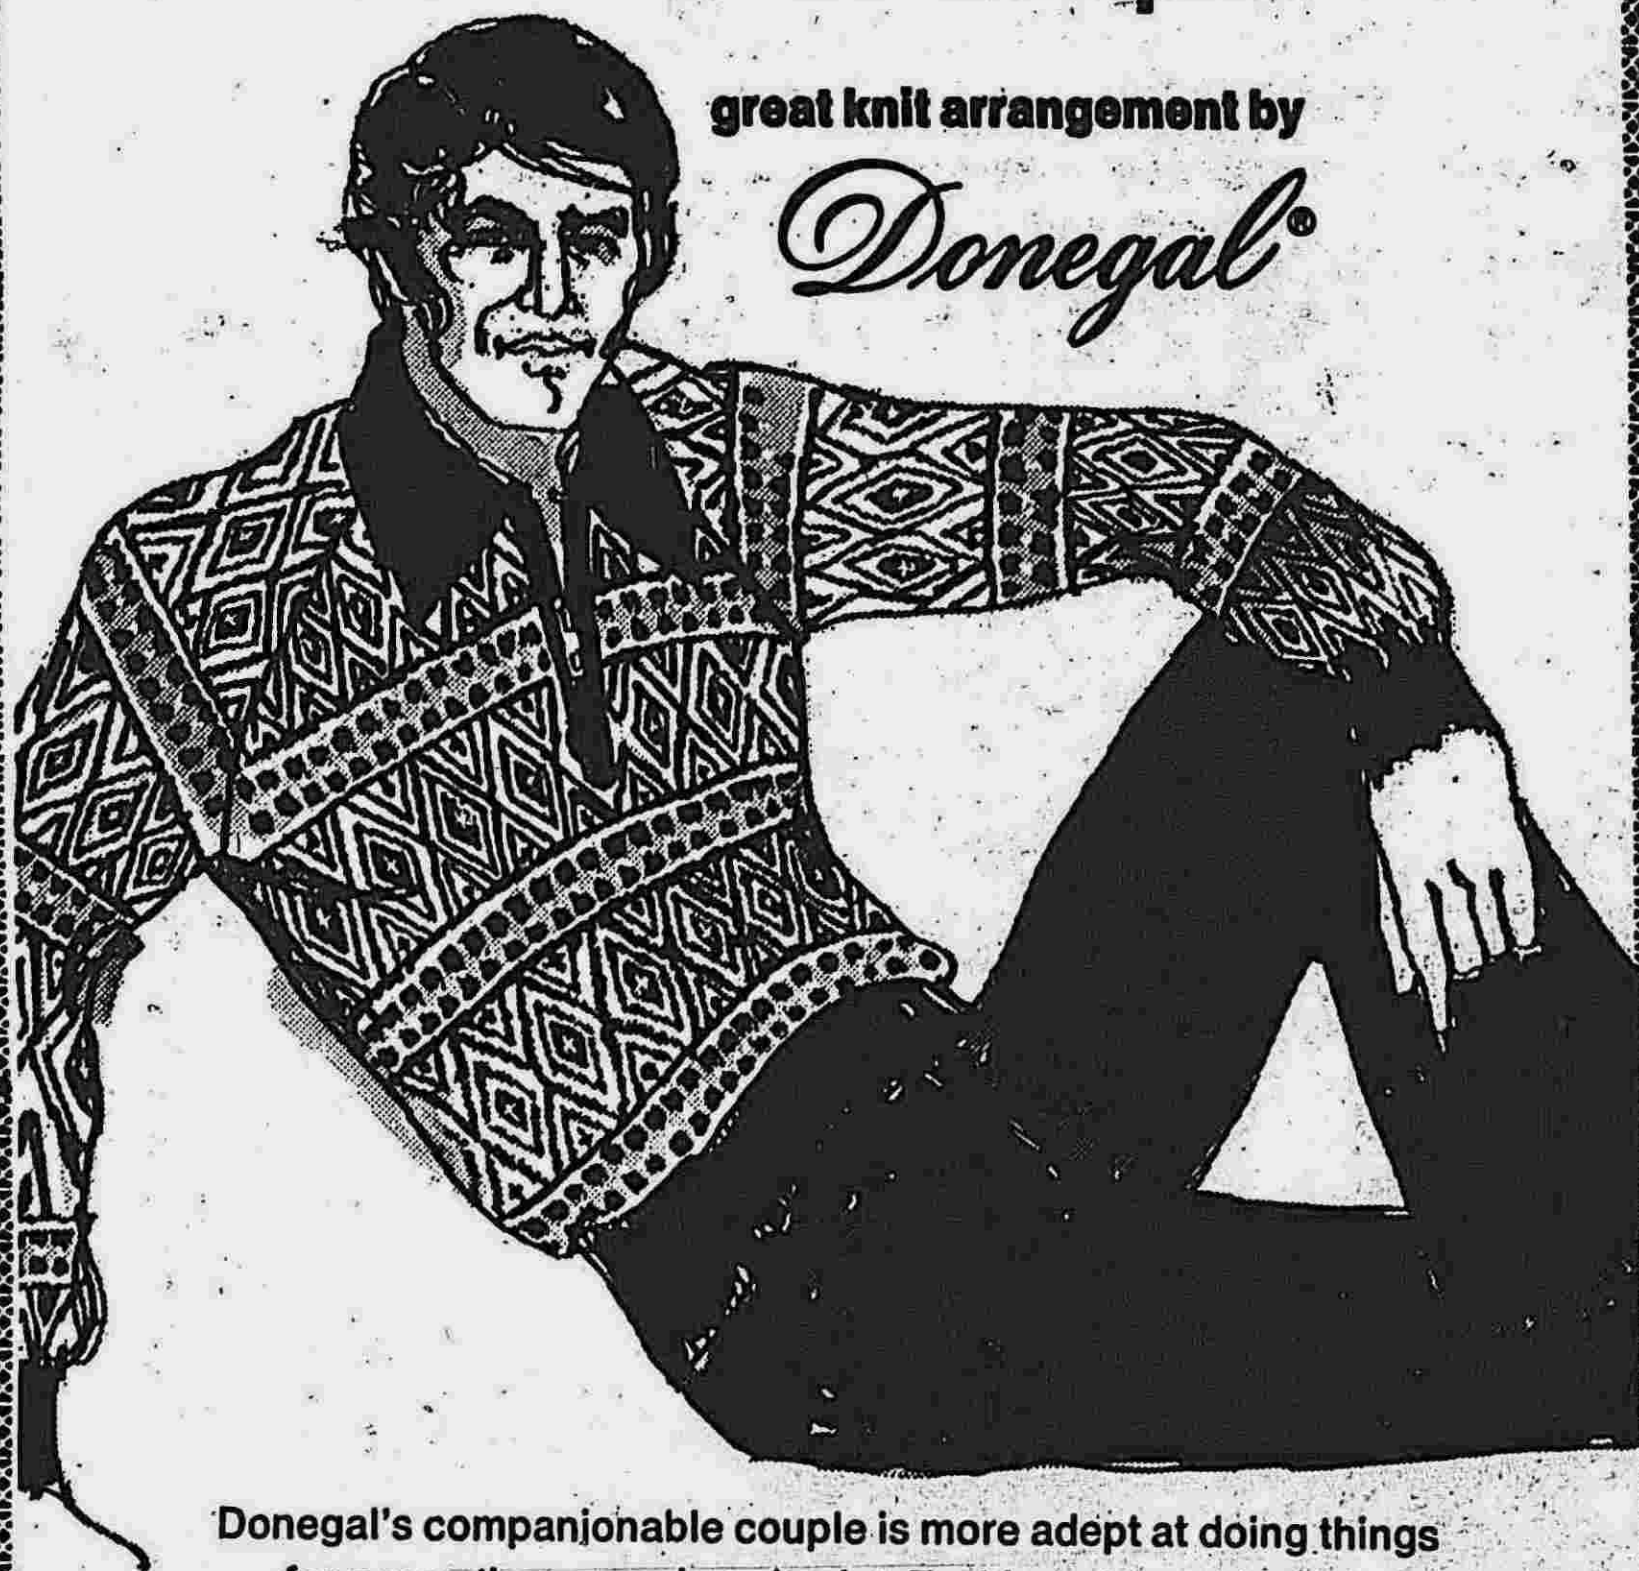

Mrs. Anderson and Roommother, Mrs. Johnson serve freshly made cranberries and churned butter to the many pilgrims and Indians. (Staff Photo)

NEW PHASE OF LIFE

Continued From Page 7

years. (He was also Village Clerk for 18 years.)

The dolls and the stuffed animals are Mrs. Shultis' specialty. Each doll is really a beauty and no two of the dolls are really alike. Dorothy fashions them a knitted outfit to suit their individual personalities. There are all varieties ranging from a chic "go go girl" complete with mod boots, to cuddly little dolls just waiting to be hugged. Each doll gets a complete going over with "Fantastic" and a tooth brush, not to mention a manicure and shampoo. The motto "cleanliness is next to Godliness", could easily reign in the Shultis basement. Ask any stuffed animal that has just been scrubbed down with rug cleaner, to confirm this.

Mrs. Shultis is really a master in her field. She not only fashions the appropriate clothes adding minute details, such as little buttons, fur collars, tiny bows, pockets, and buckles, but she is a hair stylist too. When a doll is minus a majority of her hair, it's not much of a problem

for Mrs. Shultis. She just moves what there is left around to the front and fashions a permanently snug fitting hat, to cover the back, no one would ever guess that the finished beauty is really a baldy. When a doll is missing a few fingers, Mrs. Shultis uses a similar trick, fashioning snug mittens, that will hide the defect.

Mrs. Shultis said, "By the time that the child is able to get the glove off, well she will think she broke the fingers herself."

Baby dolls receive knitted booties, but the older dolls receive shoes, fashioned by Clarence, out of mystic tape. They look so nice that no one would ever guess that are not professionally made.

The Shultis' are not getting older, they are getting better. As Mrs. Shultis said, "You just have to learn that each phase of life is different. We are certainly enjoying this phase of our lives. You just can't sit back and do nothing. I only wish that more old people would get interested in such a project and have as much fun as we are."

AMERICAN LEGION AUXILIARY

The Antioch American Legion Auxiliary No. 748 will be holding their annual Christmas pot-luck supper party, at 6:30 p.m., at the Antioch American Legion Home December 4th. Antioch legionnaires and their wives, Auxiliary members and their husbands, are cordially invited to be there, and to "bring a dish to pass". There will be card playing after a brief meeting.

At the last meeting of the Antioch Unit, conducted by Mrs. John L. Horan, President, many expenditures were made. \$90.00 was sent for the seven point rehabilitation program. Mrs. J. L. Horan explains that the seven point rehabilitation program is comprised of 1) the vapo-nephro and insulin fund - where medication is provided needy veterans; 2) the Christmas Gift Shop, where hospitalized veterans can select free Christmas gifts for their families; 3) Treasure Chest fund, enables hospitalized veterans to receive Canteen Books, where they may obtain small creature comforts - candy, cigarettes, stationery, etc.; 4) Easter gifts for hospitalized veterans; 5) Hospitality Fund - when a Unit is unable to host a party, due to illness, bad weather, etc., money is then available to still hold their party; 6) Transportation Fund provides the means where either a needy veteran can visit his family or his family given the money to visit him; and 7) Veterans' Craft Exchange is given money for it's support and maintenance.

According to Mrs. Lillian

Hand, Auxiliary Loan, Education and Scholarship Chairman, donations of \$4.00 each were given both sections of this program. The Antioch Unit is now eligible to sponsor a high school graduate in obtaining a scholarship.

Under the Americanism program, a contribution was made to the Freedom Foundations Seminar. Mrs. Ray Rathmann, Americanism Chairman, states that the Antioch Unit can now sponsor a political science teacher to this three credited course in Americanism.

The national Legislative Bulletin was ordered, so that Mrs. Frank Kennedy, legislative chairman, can report on national legislature matters pending before Congress and the Senate.

All past presidents' parley dues were paid, which makes the Antioch Unit 100 percent in that program. The Antioch Unit always pays these dues since this program supports the giving of nurses' scholarships, gifts for hospitalized ex-service-women, and also, the maintenance of the veteran's craft exchange.

The last donations included \$4.00 for the new citizens' reception, and money for the annual Christmas Caravan.

In gratitude for over twenty years serving as Antioch Unit Chaplain, Mrs. F. A. Swenson received a gift from the Unit.

Plants were sent to Mrs. George Jensen, Mrs. Trudy Nelson and Mrs. Betty Mortenson, who had all been hospitalized. It is greatly hoped

that they are now all in good health.

The following members were present and helped in the serving of refreshments at the 10th District American Legion Auxiliary meeting, held in the Antioch Legion Home, Nov. 8th, were Mrs. J. L. Horan, Mrs. Ray Rathmann, Mrs. Frank Kennedy, Mrs. Bernard Stadick, Mrs. J. W. Horan, Mrs. F. A. Swenson, Mrs. William Dowden, Mrs. Ralph Fields and Mrs. Joseph Horton.

HEAR YE! HEAR YE! The Grass Lake School PTO is holding a combination Rummage Sale and home-baked goodies sale on Saturday, December 9th, from 9:00 a.m. to 5:00 p.m., at the school gymnasium. However, this is a Rummage Sale, with a new gimmick, since in addition to the used clothing and household furnishings in good condition, there will also be brand new articles for sale! Parents and friends of Grass Lake School are reminded NOT to bring their articles to the school, but to anyone of these four ladies' homes; Mrs. Robert Dunlap, Jr.; Mrs. John Steitz; Mrs. Jan Besaw and Mrs. Bea Seymour. Mrs. Dunlap (395-4155) and Mrs. Seymour (395-3320) can be contacted if any further information is desired.

A lovely surprise was in store for Mrs. David Lindball, when The Womens' Missionary Society and the Womens' Bible Study joined forces to hold a baby shower for her on Monday,

Nov. 20th, at the Antioch Evangelical Free Church. Some thirty ladies provided attractive and useful gifts for the Lindballs' first new arrival-to-be. Delicious refreshments rounded out a pleasant evening!

How does a Progressive Dinner sound? It sounds like a lot of good fun and a lot of good food! On Saturday, December 2nd, at 6:00 p.m., appetizers will be served at the Larry Hansen home in Fox Lake; next on the agenda will be various jello molds at the John Handschiegel home on Grass Lake road; soup will be served at the Jerry Shatley home on North Main St., Antioch; salads will be the next entree at the Timothy Tierny's on Winsor Terrace; the main course will be held at the Alan Knutesen's home on Antioch Lake; and the final touch will be the dessert course at Allen Mielke's residence on Linden Road. There will be a quarter gift "grab bag", members and friends of the Antioch Evangelical Free Church are welcome to attend this progressive dinner. Anyone wishing more facts about this party may phone Mrs. R. H. Dunlap at 395-4155.

DAWN SMITH

1st PLACE TROPHY WINNER

Dawn Smith, 7, daughter of Mr. and Mrs. James Smith of Lake Villa, Illinois participated in the "Class A" "Winter Snowflake Contest" held at Jack Benny Junior High School in Waukegan on Saturday, November 18, 1972.

She won the 1st place Trophy in the Novice 7-8 year old division and has won three trophies and one medal prior to the 1st place award.

Other area winners were: Dawn Walker, 8, 3rd place Trophy in the Novice 7-8 year old division. Donna Curtis, 13, won a medal in Military Marching.

BRaille IS SPECIAL PROJECT OF ALPHA NU CHAPTER

The Alpha Nu Chapter of Delta Kappa Gamma Education Society has selected the purchase of a second brailier as their project for the 1972-73 year. The social Christmas Sing and Sale will be held December 3, 1972 at the Swedish Glee Club in Waukegan.

Alpha Nu has two chapter members who selected braille transcription as a major personal activity - Hazel Akers (Mrs. Paul C.) and Miss Annie Ruth Parr. both retired early from their respective teaching situations in Waukegan in order that they might devote time to other interests.

After a six-month study of braille transcription with individual teachers at the Johanna Bureau for the Blind and Visually Handicapped, both completed transcription of their assigned books and then began the preparation of the thirty-five pages of braille transcription required by the Library of Congress for certification. After evaluation of their transcriptions, the Library of Congress issued both of them certificates as braille transcribers.

Since certification, Mrs. Akers has continued to trans-

scribe books assigned by the Bureau and Miss Parr has been studying the transcription of music, which follows her major teaching interest. Eventually she will be certified as a music brailist.

Last February 16, this group presented a program on braille for an Alpha Nu meeting. Much interest was evident by the members, and a new brailier and case was purchased by the chapter for the use of Mrs. Akers. During the current year, another brailier and case will be purchased for the use of Miss Parr. These brailiers do not actually belong to the user because, when they are finished using them, they are to be the property of the Johanna Bureau for the use of other Delta Kappa Gamma members who may have an interest in this volunteer work. Alpha Nu considers this a worthwhile volunteer project entirely in keeping with the expressed educational interests of the Delta Kappa Gamma Society.

In addition to the study of braille transcription, Johanna Bureau offers opportunities for other types of volunteer work such as, tape and cassette transcription, large sized

typing, and the binding of braille transcribed books. There are many dedicated people involved with Johanna Bureau activities that a visit to the Bureau's headquarters on the fourth floor of the Fine Arts Building, 420 S. Michigan Avenue, Chicago, never fails to be an inspiring experience.

Mrs. Akers sums her thoughts about the activity: "Is it difficult to learn braille transcription? The answer depends upon how interested and willing the student is. Braille is an entirely new Language for the sighted person; it must be learned, even to the alphabet and numbers. The student starts from point 0 in knowledge. But it is an utterly

fascinating "Language" to a person with a vital interest in the world of blind communication, and there is so great a need that the braille transcriber is ever aware of how necessary and how greatly appreciated are the gifts of effort and time."

Another special meeting will be in April when the group will visit the North Western University Communicative Disorders Building and hear a guest speaker. Local members of the group include: Alice Anderson (Mrs. Eric), who serves on the committee of Professional Affairs; Wanda Barthel (Mrs. Russell) Personal Growth and Services; Belinda Dittman (Mrs. Albert)

Second Vice-president, Initiation, Publications and Publicity; and Fern Watson (Mrs. Charles) Social Affairs. Mrs. Ruth Good of Libertyville is serving her first term as President.

FATHER HENDERSON MASS CELEBRATED

On Tuesday, December 5th, the eve of the first anniversary of Father Henderson's death, St. Peter's Church in Antioch will hold a Solemn Dedication Mass of the Altar of Sacrifice

erected in his memory.

The Mass and Dedication will be celebrated by his excellency, Bishop William McManus and the ceremonies will begin at 7:30 p.m.

CHRISTMAS AUCTION FOR NEWCOMERS MEETING

The Antioch Welcome Wagon Newcomers club will hold its monthly meeting - Wednesday, December 6th at 8:00 p.m. at the Methodist Church. All members and guests are invited to attend. There will be an auction of Christmas decorations, made - new or old. This will be a silent auction with the proceeds going to the Easter Seal fund. This is a worthy cause, so ladies bring your Christmas creations and take home something else.

There will also be a skit put on by the Newcomers' with the officers starring. This promises to bring a smile to your face, if not hysterics. All good fun for a full evening. Plan to attend and get in the Christmas spirit.

The Newcomers will hold their Christmas party on Saturday evening December 9th at the home of Nancy Mannuso-395-6671. Please call Nancy for further information and mark this date on your calendar.

PATROVSKY GRANDDAUGHTER WEDS

Mr. and Mrs. Joseph Patrovsky, Sr., announce the marriage of their granddaughter, Miss Karen Graham. Karen, the daughter of Mrs. Gloria Graham of Addison, Illinois and Mr. Robert J. Graham of River Forest, Illinois, was married on November 4th to Mr. James De. Sorrento of Troy New York. St. Vincent Ferrer Church in River Forest was the setting for the wedding, with the Reverend Thomas Doyle officiating. A reception followed at the Skokie Country Club in Glencoe, Illinois.

The bride was given in marriage by both her parents and wore a gown of her own design. The gown of white velvet had an empire waist, with long leg of mutton sleeves and a high hand draped neck line. An A line skirt with back fullness was trimmed at the hemline with white fox fur. A detachable cathedral length train fell from the back of the waist. A full length illusion veil was attached to a Juliette cap. She carried a bouquet of white roses, stephanotis and ivy.

Mrs. Peter Auguszting of Mercer Island, Washington served as her cousins matron of honor. The bridesmaids were Miss Carole De Sorrento, of Troy, New York, sister of the groom, Mrs. James Shepherd, San Francisco, California, Mrs. James Wilson, Saint Joseph, Michigan and Miss Susan Stevens, Phoenix Arizona.

The attendants were dressed in garnet panne velvet with empire waists, high neck lines, and rows of lace trimmed the long bell shaped sleeves. They carried a single pink Duchess rose, the matron of honor carried hers in shades of pink and garnet.

Mr. Robert De Sorrento of Troy New York, brother of the groom served as best man. Groomsmen were Mr. James Shepherd of San Francisco, California, Dr. John Brady of San Francisco, California, Mr. Norman Roy of Cambridge, Massachusetts and Mr. Donald Reiman, Orinda, California.

The Bride received her B.S. degree from Southern Illinois University. She is the granddaughter of Mr. and Mrs. Joseph Patrovsky, Sr. of Antioch and the late Mr. and Mrs. Richie V. Graham of River Forest and Channel Lake, Antioch and the great granddaughter of the late Anton J. Cermak, Mayor of Chicago.

The groom is Regional Manager for Viacom International in Beachwood, Ohio.

After a two week trip to Trinidad and Tobago the couple will reside in Euclid, Ohio.

TOMAN—ROSEMANN NUPTIALS

Miss Patricia Toman became the bride of Craig Rosemann on Saturday, November 11th at St. Peters Church in Antioch. The Reverend Francis Johnson officiated at the 3:30 Guitar Mass sung by Betty Frank of Waukegan.

The bride is the daughter of Mr. and Mrs. Frank J. Toman of Antioch and the grooms parents are Mr. and Mrs. Curt Rosemann of Lake Villa.

Pat chose a floor length gown of Ivory Silk Organza and venise lace over bridal tafeta. The bodice fashioned with illusion neckline and long full sleeves, A-line skirt and a chapel length train. Her tiered veil was made from the one her Mother wore 26 years ago. For "something old" she wore her maternal great grandmothers petti-coat.

Others in the wedding party were Barbara Dost, Maid of Honor, her sister, Kathy Duckles and cousins Dianne Di Foggio and Nancy Norris were bridesmaids. Dawn Duckles 2½ year old niece of the bride was the flower girl.

Best man was George King, Groomsmen were Doug Larson, Gary Foster, Glen Lynn. Ushers were Bruce Rosemann and Robert Duckles. Georgie King was ring bearer.

The newlyweds were feted at

a reception at the Antioch Country Club. Uncles and aunts came from California, Craig's grandparents from Florida, his brother and wife came from Virginia Beach, plus guests from Wisconsin and Illinois.

Craig and Patricia are living in Lawton, Oklahoma where he is stationed in the Army.

CHRISTMAS HAVE YOUR PICTURE TAKEN WITH SANTA

Get that smile ready for Santa, kiddies - He'll be ready and waiting for you at the State Bank of Antioch December 2, 9 and 16. "Instant" pictures will be taken of the children with Santa and will be given to the parents immediately in an attractive frame, all with the compliments of the State Bank of Antioch.

This is the twelfth year the State Bank has supplied the free picture - taking service at Christmastime.

Pictures will be taken from 9 a.m. to noon and from 1 p.m. to 3 p.m. in the bank lobby on Saturday Dec. 2 & 9, from 9 a.m. to noon on Dec. 16.

Last year over 2,000 children had their pictures taken with Santa Claus.

ART EXHIBITION AT CLC

The Center Board Fine Arts Committee of the College of Lake County is sponsoring an exhibition and sale of original graphic art by contemporary and old master artists. Arranged by the Ferdinand Roten Galleries of Baltimore, Maryland the exhibition will be held on Monday, November 27, 1972. The exhibition, which is open to the public, will be on display from 9:30 a.m. to 4:30 p.m. in the College Center Quiet Lounge.

Included in the exhibition will be over 1,000 original etchings, lithographs and woodcuts by artists such as Picasso, Chagall, Miro, Dali, Goya, Renoir, Kollwitz, and many others including contemporary American, European, and Japanese printmakers. Prices start at \$5 with the majority priced under \$100.00.

OPEN HOUSE AT CARMEL HIGH

On Sunday, December 3rd, Carmel High School for Girls and Carmel High School for Boys will host an Open House at the school located in Mundelein. Doors will be open from 2:00 until 5:00 p.m. for prospective students and their families and for anyone else who may be interested. The Open House is designed especially to help September '73 Freshmen become acquainted with Carmel.

Registration and placement testing for new students will be held on Saturday, January 13 beginning at 8:30 a.m.

Carmel is located on Route 176 between Libertyville and Mundelein.

WOMAN'S CLUB ENJOYS DESSERT LUNCHEON

The regular meeting of the Antioch Woman's Club was held on November 20, at Lorenz's Smart Country House. Members and their guests enjoyed a dessert luncheon followed by a program. The program featured Ethel Burge and Evelyn Styles in a production called, 'Fashions in Horoscope'. The show which was originally produced for the Palmer House in Chicago projected fashions in a com-

CROSS—JENNRICH WEDDING

Miss Cynthia Dean Cross, daughter of Mr. and Mrs. Charles Cross, was married on November 25 to Mr. Karl Michael Jennrich of Libertyville Illinois. The Lake Villa United Methodist Church in Lake Villa, Illinois was the setting for the wedding with the Reverend Younts officiating. A reception followed at the Angel's Restaurant in Trevor Wisconsin.

The bride was given in marriage by her father in a double ring ceremony. She wore a white Forentine Satin gown with seed pearl cuffs and matching headpiece and carried a single white rose.

Her floor length veil was created by the bride's mother and Mrs. Ruth Cunningham.

Mrs. Linda McCallum of

Tacoma, Washington served as her sister's Matron of Honor. She was attended by six bridesmaids. Mr. Greg Drije of Beardstown, Illinois served as best man, while six other men were groomsmen.

After a short honeymoon, Mr. and Mrs. Karl Jennrich will make their home in Libertyville where the groom is teaching.

New Deductions

A first child was born to Mr. and Mrs. Clavin Hudsonpillar, Lake Villa, Illinois on November 21, 1972. Brandon Wayne tipped the scales at 6lbs 2 oz and was 20 inches long.

Maternal grandparents are Mr. and Mrs. Art Rosen of Soder Springs, Idaho, and paternal grandparents are Mr. and Mrs. L. Hudsonpillar of Soder Springs, Idaho. I bet Christmas will bring a visit from those proud grandparents.

Mr. and Mrs. William K. Beese of Antioch became the parents of a little boy on November 21, 1972. The future football player tipped the scales at 7lbs 12 1/2 oz. and was 20 1/2" long. The Beese's also have a little girl aged 14 months.

Maternal grandparents are Mr. and Mrs. Leslie F. MacDiarmid and paternal grandparents are Mr. and Mrs. W. F. Beese.

JOHN MULACS' celebrate 75 YEARS

A surprise 75th birthday party for John Mulac was held last Sunday at the Richard Stroner's home on Antioch Lake.

The party was given by his wife Stazie, and their three daughters and their families, James and Elinore Stirek, Lyons, Illinois, Dick and Milly Stroner and daughter Susan, Antioch and Ronald and Joanne Bazata and children of Brookfield Illinois.

Those attending were: Mrs. Bessie Koubek, Mr. and Mrs. Jack Keane and grandson, Mr. and Mrs. John Lips and Conrad, Mr. and Mrs. Raymond Doll,

Mr. and Mrs. James Walsh, Mr. and Mrs. Harold Knutsen, Mr. and Mrs. Jerry Miller, Mr. Rudy Sevic, Mr. and Mrs. William Meyer, Mrs. Frank Sindelar, Mr. and Mrs. Lloyd Lindholm, Mr. and Mrs. Charles Prazak, Miss Audrey Hosna, Mr. Joseph Malan, Mr. Louis Dusek, Miss Mildred Paroubek and Adeline.

Unable to attend was a grandson Richard Stroner and his wife Diana. He is in the Air Force and is stationed in Empire, Michigan. Also Mr. and Mrs. A. Santucci and Mrs. and Mrs. Joseph Johnson of Chicago.

PREPARES FOR CHRISTMAS ALTAR AND ROSARY SOCIETY

The Altar and Rosary Society of St. Peter's Church are very busy with many holiday projects.

Each year the ladies bake cookies for the servicemen and are participating in this project again. Anyone wishing to help bake can get further information from Chairman Mrs. Florence Morinn, 395-4128.

The Christmas Boutique is being held each Monday night during Bingo, featuring many Christmas novelties and candles. Taking care of the boutique is Mrs. Luann Haisman and proceeds will be sent to the missions.

Operation Snowball is being

handled by Mrs. Ricky Apostol. This project is making tote bags and filling them with useful items to be sent to the mentally and emotionally ill in the Archdiocese. A lot of help is needed in this venture so please call Mrs. Apostol, 395-1217.

Plans for the children's Christmas party are being handled by Mrs. Shirley Gutowski and Mrs. Barbara Joern.

The next regular meeting of the Society will be the annual Christmas party for members and friends. The group will be entertained by the "Sweet Adelines." The meeting and party is scheduled for Tuesday, December 12th at 8 p.m.

Along the Way with *Annie Mae*

The last of the turkey is gone, Santa has officially arrived, and now starts the busy days of preparing for Christmas.

The long holiday weekend saw many former Antioch residents visiting their friends and relatives. To name a few, Audrey and Jerry Healy and family from Iowa, Howard and Judy Shepherd and Joan and Pete Poulos and girls from Stamford, Conn.

It was almost like another school day for Louise Gutowski head cook at Channel Lake School, as she prepared dinner for 33 relatives.

Northern Wisconsin was the destination of some local hunters, Gene Rockow returned with a spike buck, Jerry Rockow got the party doe and Ken Watson didn't even get a whiff of one - Well, better luck next year.

Get well prayers and wishes are extended this week to Bonnie Haase and a special prayer to Tom Haley, Jr. who will undergo heart surgery Wednesday morning. Get wells also to Mrs. Sophie Bishopberger who is in Victory Memorial Hospital and Mrs. Melvin Wohlfeil who is in Victory recovering from surgery. She would appreciate calls and cards from her friends. Her hospital room is 594 and her phone number is 688-3118.

The Haley family received some happy news lately, when they heard from Yakota, Japan that their son Jerry took a bride on his birthday, November 8th. Her name is Rumiko. Jerry will

probably be returning to Antioch with his bride in March when he's due to be released from the Air Force.

Another Haley, namely Eddie, his wife Sharon and their one year old son will be moving to Antioch shortly from sunny California. He will be working with his brothers in their corporation.

Tom and Kathy Haley just returned from Ft. Lauderdale where they spent a 10 day vacation visiting Don and Judy Wertz, a former Antioch couple. Tom and Kathy are very tanned and can't wait to go back.

Happy birthday wishes to Judy Jesse, Helen Vogler and Gloria Grippando on November 29th. December wishes to Mrs. Ed. Sorenson and Bobby Dunlap starting out the month with birthdays on the 1st. To Rose Endries on the 2nd - to Rickie Apostol and Laura Dunlap on the 4th and the 5th of December is the special day for Bea Forbrick, Frank Ehrhardt, Irene Bletsch and Mary, Ann and Joe Cermak. Two special little people will be celebrating birthday number 1 - Carrie Ellen Polson, daughter of the Randy Polson's and Matthew Johnson, son of Sue and Andy Johnson has had one happy and loving year to celebrate.

The basketball season is well underway, and the Sequoias are looking good. The holiday tournament at Barrington was quite successful, as the Sophomore team came away with 1st place, and the Varsity got 1st

Thanksgiving day was a bit special for the Joe Rush family in Antioch. With son, Gary, being away from home for the first time (he's at the U.S. Naval Academy, Annapolis), they called Great Lakes and were able to have three recruits who wouldn't be able to get home for the holiday. James Citro from Tennessee, Leo O'Brien from Boston and Tom Guy from New York helped to make the day more meaningful and less lonely for Dave Rush.

Sharing the day with the boys, along with both sides of the Rushes relatives, made for a truly Thanksgiving day. (Staff Photo)

BOOTH NAMED TO DEAN'S LIST

Mrs. David H. Booth, 1224 Main Street, Antioch, Illinois, has been named to the Dean's List for high academic achievement at Barat College during the second semester, 1971-72.

Mrs. Booth is a junior at the college. Barat is a liberal arts college for women located 30 miles north of Chicago.

PVT. RICHARD L. KUMLER

Army Private Richard L. Kumler II, 22, whose parents live on Route 1, Bellflower, Ill., recently completed eight weeks of basic training at the U. S. Army Training Center, Infantry, Ft. Polk, La.

He received instruction in drill and ceremonies, weapons, map reading, combat tactics, military courtesy, military justice, first aid, and army history and traditions.

Pvt. Kumler received training with Company D, 4th Battalion, 2nd Brigade.

He is a 1968 graduate of Bellflower Township High School. He received his B.A. Degree in 1972 from Illinois Wesleyan University Bloomington. His wife, Christine, lives on Route 1, Antioch, Ill.

with only one loss.

See the teams this Friday, 6:45 at the high school gym.
Happy Shopping

ALL ABOARD FOR SPRINGFIELD!! Pretty AMTRAK girls, Mary Ann Gunter, Kathleen Gianneto, and Jan Hillier, all of Chicago, join State Representative Donald E. Deuster in extending an invitation to Lake Countians for a one-day journey to Springfield for the swearing-in of the new Illinois General Assembly on January 10, 1973. Deuster, who helped create AMTRAK while in the Nixon Administration, has arranged a special sightseeing train trip to Springfield on AMTRAK'S newly refurbished passenger dome coaches. For the convenience of Lake Countians the train will make a special stop at Rondout on January 10th.

SPRINGFIELD TRIP BY AMTRAK SET FOR SWEARING-IN OF NEW ILLINOIS LEGISLATURE JANUARY 10

Lake County residents will enjoy an unusual opportunity to visit the Illinois State Capitol at Springfield on January 10, 1973, the day on which our newly-elected State Legislators take their oaths of office.

State Representative Donald E. Deuster has arranged with AMTRAK for a one day tour to Springfield for sightseeing and the swearing-in ceremonies. Deuster, who helped create AMTRAK while in the Nixon Administration, has also arranged for the train to stop at Rondout for the convenience of Lake Countians.

Deuster announced that the round trip group train fare of \$25 will include: breakfast and dinner aboard the "Prairie State" train, luncheon in Springfield at the Sangamo Club, a special sightseeing bus for visits to Lincoln's Home and Tomb, the old restored Capitol, the Lincoln Law offices, as well as attendance at the new Capitol for the swearing-in ceremonies, and receptions for meeting Illinois State officials.

Eight Lake County legislators will be sworn in on January 10: Senators Karl Berning and John Conolly, and Representatives: Adeline Geokaris, Ron Greisheimer, John Matijevich, W. J. Murphy, Dan Pierce and Deuster.

Deuster said: "This should be a most memorable and pleasant way to visit Springfield for the swearing-in of our new General Assembly. We will be riding on AMTRAK's newly refurbished passenger coaches with observation domes. My wife, Kay and our four daughters will be aboard, and we hope many Lake County friends will enjoy the journey. Also, there will be a dining and bar car. This promises to be a cheerful event worth remembering."

Reservations may be made by sending a \$25 check payable to "AMTRAK" to Rep. Donald E. Deuster, 132 North Sylvan Lake Drive, Mundelein, Illinois 60060. Reservations should be made by December 15 so that AMTRAK may conveniently schedule the needed passenger coaches.

CONCERN FOR A LAKE COUNTY AIM DISCUSSES AREAS OF

AIM president Nate Naden, Gurnee, opened the meeting with a brief report on the organization. The purpose of the organization is to contribute positively to the quality of life in Lake County. Functions are to create and maintain a central information center available to concerned citizens, to provide positive rather than negative approaches to the developing character of Lake County, to help assure proper representation by elected and appointed officials, and to be open-minded, non-partisan, but well informed on civic matters. Many public officials attended the meeting including

representatives of the county board, county forest preserve, planning commission, mayors and village trustees, and newly elected State Representative, Donald Deuster.

Cleaning up the Chain O'Lakes area of pollution, the need for more forest preserve land, the comprehensive land use plan of the Lake County Plan Commission and comments on present zoning problems were the areas of concern.

Following the speakers the plus 75 persons attending broke up into discussion groups on the four areas of concern.

CLC Singer Members: (l to r) Nilia L. Rogers, Richard Dane, Linda Heller, John Lillstrom, Jennifer Hubert, Paul Durand, Gloria Grant and Rita Schueneman.

"SING WE NOW OF CHRISTMAS" AT CLC

"Sing We Now of Christmas," will be presented by the music department of the College of Lake County at Grayslake Junior High School, Sunday, December 3, at 3:30 p.m. Secular and sacred music will be highlighted. The concert is open to the general public without charge.

The program, under the direction of CLC instructor Warren G. Simpkins, Grayslake, will be sung by the CLC Singers and the College of Lake County Community Chorus. Mrs. Suzanne White, Waukegan, accompanist for the Chorus will be joined by Mary Ann Pleviak, Antioch, in a four-hand accompaniment. A portion of the program will also be accompanied by a brass choir director by CLC instructor,

John K. Neundorf, Lake Bluff.

Members of the brass choir are CLC students: Trombones - Michelle Bailey, Waukegan; Alan Bednar, Antioch; and Terry Giovanetto, Mundelein; Trumpets - Bill Gable and Jerry Smouse, Antioch; and Doug Walton, Zion.

Community Chorus members are Florent Butkus, J. Robert Coates, Elizabeth Orobnick, Shirley Edwards, Marjorie Hook, and Susan Rasmussen, Waukegan; Colette Dayton, William Joern, and Joyce Woods, Antioch; Rosemary Elkins and Debbie Wagner, Wauconda; Janine Ewing, Lake Zurich; Mary Harper, Edward Harper, Donna Kohler, Marianne Pleviak, and Wayne Sobczak, Lake Villa; Geneva McGaughey, Elizabeth Sied-

lecki, and James Stransky, Grayslake; Mary Ann Miks, North Chicago; and Frances Tierney, Mundelein.

CLC Singer members are: Janet Ashley, Deerfield; Michelle M. Bailey, Judith Bull, Roger Bull, Paul Durand, Joseph Gearica, and Rita Schueneman, Waukegan; Cindy Burandt, John Lillstrom, and Patricia McIntosh, Grayslake; Rebecca Coltrin and Richard Dane, Mundelein; Constance Field, Ingleside; Shirley Fleming, Ingleside; Gloria Grant, Lucinda Hahn, and Richard Olson, Antioch; Linda Heller and Karen Schaufel, Lake Villa; Jennifer Hubert, Gurnee; Sharon Jackson, Lindenhurst; Robert D. Lehman, Jr. and Douglas Walton, Zion; James Mageria, North Chicago; Bette A. Palmore, Wilmette; and Nilia L. Rogers, Libertyville.

Give a Picture-Perfect Christmas Gift.

Give our Portrait Gift Certificate.

It makes an *unusual* and treasured gift for the people you love—for people you want to remember with photographs.

Our Portrait Gift Certificate is a *personal* gift, ideal for almost everyone on your list—from the person who is hard to buy for, to family, friends, and relatives, to the "high school" sweetheart.

Come in today and order Portrait Gift Certificates for those you love. A fine portrait makes a lasting gift, and isn't that something you'd like to give. Or receive.

Our Portrait Gift Certificate can be applied toward a portrait sitting or prints from negatives in our files. Gift Certificates are available in all denominations to fit any need, any budget.

BITS AND PIECES

By: Taffy Engelhardt

I pledge allegiance to the Flag of the United States of America and to the Republic for which it stands, one Nation under God indivisible, with liberty and justice for all.

I'm sure many of you recall repeating the Pledge of Allegiance in school, or at public arrangements, meetings or athletic events. Even if you don't, at least you've come in contact with it or are aware of its presence. But how many of you know who actually WROTE this famous document? Everyone knows that Frances Scott Key wrote the Star Spangled Banner so why isn't the author of The Pledge recognized? I admit my own ignorance to this also, until I began investigating. In this investigation, I decided it would be interesting to see how many people DO know who wrote the Pledge of Allegiance.

A survey was taken during the week before Thanksgiving in which I asked over 150 students, many adults and over 20 teachers, including History and Government teachers. Most of the answers contained a puzzled "I don't know" but there were a few amusing remarks also. I received a variety also; such as Queen Elizabeth, John Hancock, Napoleon, Harrison, Thomas Jefferson, Frances Scott Key, Mickey Mouse, John Phillip Seussa and Mr. Anonymous. I even made a special phone call to my uncle in Waukegan who said Nathan Hale or Hall. Evidently, all of these answers were wrong.

Some people used their imaginations, with such answers as, "It wasn't William Tell," "I don't know and I don't care," or "Some ding-a-ling who had nothing better to do with his time." But the answer that really stuck in my mind was the genius who said, "It was a man whose name was Allegiance. He was very commanding and made people give him a Pledge."

Some of the people who were quite embarrassed, cleared their throat for a few minutes, turned red and finally admitted that they didn't know or that they "forgot." And I have to say that it wasn't the easiest bit of information to find. It wasn't in any encyclopedia or history book that I looked in.

A few students finally did find the answer and two of them said their fathers knew the answer.

Well, I hope I've gotten your curiosity burning by now. The author is Frances Bellamy. As you can see, he isn't very well known and he really should be.

The Pledge of Allegiance to the Flag was first published in the Youth's Companion for September 8, 1892 in connection with the National Public School Celebration of Columbus Day in October of that year. At the same time it was printed in leaflet form and distributed

"SEQUOIT HAPPENINGS"

throughout the country. More than twelve million public school children all over the United States took the pledge during the celebration of 1892. Mr. Francis Bellamy, of Rome, New York, and Mr. James Upham, of Alden, Massachusetts, were both members of the staff of the Youth's Companion when it published the pledge. Mr. Bellamy also served as chairman of the executive committee which prepared the program for the celebration and furnished much of the publicity which attended it.

The family and descendants of both Mr. Bellamy and Mr. Upham subsequently claimed that each of them wrote the pledge. In 1939 the United States Flag Association appointed a committee to determine the disputed question of authorship, so that it could be stated in the future with historical accuracy. This committee consisted of two historians, Charles C. Tansill and Bernard Mayo, and political scientist, W. Reed West. They studied the evidence submitted by the two contending families, and on May 18, 1939, decided the evidence indicated that Frances Bellamy was the author. Their finding was accepted by the American Flag Committee.

When first published, the Pledge of Allegiance contained the phrase "my flag." This wording was criticized on the ground that foreign-born children and adults, when giving the pledge, might have in mind swearing allegiance to the flag of their native land. In order to eliminate this possibility, the First National Flag Conference, held in Washington, D.C. on June 14, 1923, recommended and adopted a change in the wording substituting for "my flag" the phrase "the Flag of the United States."

A further change in the pledge was made by House Joint Resolution 243, approved by President Eisenhower on June 14, 1954. This amended the language by adding the words "under God," so that it now reads "one Nation under God indivisible, with liberty and justice for all."

HONOR ROLL

High Honor Roll - first 9 weeks. To make the High Honor Roll, a student must have 18 grade points and no grade lower than a "B". An asterisk will identify those students who earned a straight "A".

Seniors: Glen Amundsen; Joan Boreen, Debbie Burke, Steven Carlson; James Christensen; Diane Dusek; Patricia Geiger; Diane Gramer; Cynthia Hayden; James Heidner; Glenda Hurt; Linda Lagerstrom; Tim Mieuere; Fred Popp; Thomas ruhl; Susan Stanley; Wndy Stout; John Thain; Ton Tumminello; Carol Wells; Cathy Wysoglad.

Claims 4-H Scholarship

Alison Hevrdejs - Three Illinois 4-H members claimed \$1,500 of state's total \$4,100 in scholarships, at the 51st National 4-H Congress here Nov. 26-30.

Named regional \$500 scholarship winners by the Cooperative Extension Service were Nedra Glenn, 21, of 9413 S. Harvard, Chicago; James Holstein, 21, of Rt. 3, Milan, and Alison Hevrdejs, 18, of Rt. 2, Antioch.

Miss Glenn and Holstein

both received their grants from the Chicago and North Western Transportation Company. Miss Glenn was cited for her community service, while Holstein was honored for his work in agricultural economics.

Miss Hevrdejs received her scholarship from the Santa Fe Railway System for her overall excellence in 4-H.

Selected on the basis of their 4-H experience in projects and activities, leadership development and growth in personal, community and civic responsibilities, the Illinois young people were among 267 winners nationwide who shared \$186,700 in educational grants at the 4-H Congress.

ryn Haase; Michael Harmon; Melinda Harris; Rockney Hudson; Jeffrey Jones; David Jordan; Audree Kapischke; Terrence Kempher; Sharon Kurzin; David Lagerstrom; Bonny Lloyd; Marc Lubkeman; Carol Marcussen; Karen Metzel; Greg Mieuere; Patricia Mizar; Rita Oberlin; Kathleen Paschke; Deborah Pederson; Victor Simonsen; Nancy Springer; Sandra Stadick; Kathy Stahmer; Beth Tanner; L.E. THE SEWER

957 VICTORIA ANTIOCH PANTS & MORE LTD.

(Week of December 1-7)

ARIES (Mar. 21-April 20): Time to clean up all projects relating to finances, paperwork. Buckle down to complete the work you know must be done. Career aspects improve later in the week. Thursday is a good day to seek a raise, new business opportunity.

TAURUS (April 21-May 20): Star signs look with favor on your finances this week. Period starting Friday is especially harmonious for improved income. Make up with partner if there has been strained relationship. Splurge a little on clothes; a gift can do wonders to smooth over a misunderstanding.

GEMINI (May 21-June 21): Slow down the social whirl this weekend and get plenty of rest. Finances can cause problems early part of week. Avoid involvement in joint transactions, borrowing. Look after possessions. Wednesday and Thursday are good days for sprucing up the home and garden.

CANCER (June 22-July 21): Excellent period for completing your holiday shopping. Your usual good taste in apparel can impress a friend or loved one for whom you may be buying a gift. Health should be good if you take care in diet and make room for recreation in your schedule.

LEO (July 22-Aug. 22): Creative projects at work or school can bring you recognition. Although you've been restive, this is not a period for procrastinating. Work should be routine, but later in the week you may be in for a surprise holiday invitation. Take care in financial matters.

VIRGO (Aug. 23-Sept. 22): You are entering a favorable star cycle. Social activities may keep you busy over weekend and during later part of week. Finances should be improved and career matters will go well if you pay attention to detail. All signs go for a special week!

LIBRA (Sept. 23-Oct. 22): Don't worry if your social life seems fizzling this weekend. You need a period of rest and reflection. Star signals are favorable starting Monday, particularly for financial and work projects. You may be given greater responsibility and financial recognition.

SCORPIO (Oct. 23-Nov. 22): Watch your budget. Money matters could become bothersome. Avoid travel if possible. If you must take a trip Saturday through Tuesday, be especially careful. A good time to work around the house or apartment. A little work now can give you more free time over the holidays.

SAGITTARIUS (Nov. 23-Dec. 21): Emotional problems which have caused some tension should be easing. Period starting Saturday is a lucky one for those under your sign. There's a possibility of some unexpected good fortune. Be sure to share with loved ones to maintain harmony in the home.

CAPRICORN (Dec. 22-Jan. 20): Planetary conjunction indicates harmony with a friend or loved one can be restored if you make the first move. Keep plugging away at work to achieve the recognition you desire. Financially, a time for moderation, particularly with the holiday season approaching.

AQUARIUS (Jan. 21-Feb. 18): Break out of the social doldrums this weekend. A new hard-to hairstyle can do wonders for your morale. Time for social activities with old friends. Career signs improve Tuesday and Wednesday. Superiors will be impressed with your ability.

PISCES (Feb. 19-Mar. 20): Gift shopping early can take care of a lot of your pre-holiday worries. Good news could be forthcoming Monday or Tuesday. It could involve your work. If you've been thinking about seeking a raise, now is a good time to approach your supervisor. Social life is due for a boost late in the week.

Obituaries

MR. RUSSELL J. JEFFERSON 71 years old of Crooked Lake Oaks Subdivision near Lake Villa, Illinois passed away on Sunday November 26th at St. Therese Hospital. He was born on March 11, 1901. He had resided in Chicago until moving to Lake Villa in 1943. He is a member of the Millburn congregational Church. Mr. Jefferson had worked for 26 years as a maintenance supervisor at Ft. Sheridan and retired 2 years ago. He married Etta R. Wiederhold on August 16, 1924 in Chicago and she passed away on January 22, 1972.

Survivors are 1 daughter Mrs. Sharon Deutsch of Lake Villa, Ill., 1 sister and 1 grandson.

Funeral services were held on Wednesday at 1:30 p.m. from the Strang Funeral Home in Antioch. Rev. L.H. Messersmith of the Millburn Congregational Church officiated.

MR. ANTHONY C. HASKAMP 72 years old of Center Lake Woods Subdivision near Trevor, Wis. passed away on Sunday November 26th at Kenosha Memorial Hospital. He was born October 13, 1900 in Evanston, Illinois and had resided in Villa Park, Birkley, and Glen Ellyn, Ill. before moving to Trevor 3 years ago. He is a member of the Center Lake Woods Sportsmens Club, and the Center Lake Woods Association of property Owners. He had worked as a precision Molder for the "Mitchel Molding Co. in Forest Park, Illinois and retired in 1955. He married Dorothy Silsbee on December 10, 1927 in Chicago. Survivors are his wife Dorothy, 1 son Jack R. Haskamp, 2 daughters Janet Wooden and Mrs. Elaine Koch, and 7 grandchildren.

A funeral mass was held at 10:00 a.m. on Wednesday at Holy Name Church in Wilmot. Rev. Mark Lyons of that church will officiate. Interment was in Holy Name Cemetery.

MRS. MARIE SIMA 85 years old Channel Lake near Antioch, Illinois passed away on Friday November 24th at Victory Memorial Hospital. She was born July 17, 1887 in Bohemia, and came to the United States in 1899 to reside in Baltimore, Maryland, then lived in Chicago until moving to Antioch 25 years ago. She is a member of the Rebekah Lodge No. 807 in Chicago. Married Albert Sima on Sept. 14, 1907 in Chicago.

Survivors are her husband Albert Sima Sr., 1 son Albert Sima Jr., 1 daughter Mrs. Blanche Mendra of Skokie, Ill., 1 sister, 1 brother, 5 grand children and 9 great grandchildren.

Funeral services were held at 11:00 a.m. Monday at the Strang Funeral Home in Antioch. Rev. Donald C. Cobb of the Antioch Methodist church officiated. Cremation was held at Bohemian National Cemetery in Chicago.

MR. ERNEST H. DAVIDSON 63 years old of 123 Elm Street, Silver Lake, Wisc. passed away on Tuesday November 21st at Kenosha Memorial Hospital. He was born on Feb. 19, 1909 in Chicago and had resided there until moving to Silver Lake 3 years ago. He had worked in a foundry as a caster and grinder at Schiller Park, Illinois and retired 4 years ago. He is survived by 3 brothers John F. Davidson, Arthur H. Davidson and Stanley H. Davidson.

Funeral Services were held on Saturday at 1:30 p.m. at the Strang Funeral Home in Antioch. Rev. Richard O'Neil of the Wilmet Methodist Church officiated. Interment was in Montrose Cemetery in Chicago.

Christian Science Churches

In John we read of Jesus's healing of the man who had been ill thirty and eight years.

In the Lesson-Sermon entitled "God the Only Cause and Creator" this Sunday, this citation will read from Science and Health With Key to the Scriptures by Mary Baker Eddy: "Man, governed by his Maker, having no other Mind, planted on the Evangelist's statement that 'all things were made by Him (the Word of God); and without Him was not anything made that was made,'—can triumph over sin, sickness, and death."

Services at First Church of Christ, Scientist, BEACON HILL, Rte 173 and Harden, Antioch, Illinois begin at 11 A. They are conducted by Mrs. Evelyn Greer, First Reader, and Mrs. Mary Adams, Second Reader. All are welcome.

FMRS. LILLIAN E. MEYER 96 years old of East Loon Lake near Antioch, Illinois passed away Monday November 20 at the Venetian Manor Nursing Home at Lindenhurst, Ill. She was born May 5, 1876 in New York, New York and had resided in Wisconsin, and Chicago, Illinois before moving to Antioch. She had worked for Rowe Brothers Jewelry as a designer for many years, and in later life worked as a nurses aid at Highland Park Hospital during World War 2. She was preceded in death by her husband Charles J. Meyer on October 24, 1938. She has no known relatives that survive.

Strang Funeral Home at Antioch was in charge of services, with interment in North Shore garden of Memories Cemetery at North Chicago. Rev. Phillip Laurin of St. Stephen church officiated.

MR. HARRY H. STROBEL 62 years old of Trevor, Wisconsin passed away Monday November 27th at Kenosha Memorial Hospital. He was born September 10, 1910 in Blue Earth, Minnesota and had resided in Pemberton & Janesville, Minn. before moving to Chicago, and has resided in Trevor for the past 10 months. He had worked as a caterpillar operator for Reimer Brothers at Elk Grove, Ill. for 14 years and retired in August 1929. He holds membership in the "International Union of Operating Engineers Local No. 140-B" He married Florence Campbell on Aug. 28, 1929 at Wasech, Minnesota.

Survivors are his wife Florence, 2 daughters Phyllis Echols and Arlene Yates (both of Elmhurst, Ill.) 1 brother and 3 sisters and 5 grandchildren. He was preceded in death by 1 brother.

Funeral services will be held

at 10:30 a.m. on Thursday at the Strang Funeral Home in Antioch. Rev. Phillip O. Laurin of St. Stephen Lutheran Church will officiate. Interment will be in Liberty Cemetery near Trevor.

REVISED FORM W-4

More than 156,000 employers in Northern Illinois have received a newly designed W-4 "Employee's Withholding Certificate," Roger C. Beck, District Director for Northern Illinois announced today.

"The IRS has revised Form W-4 to make it more understandable to employees and thereby encourage them to adjust their tax withholding," Mr. Beck said. "In most cases these adjustments will result in increased take-home pay."

The new Form W-4 being sent to business firms is part of an information packet which includes a letter to chief payroll officers and a notice to employees from Commissioner of Internal Revenue Johnnie M. Walters.

The letter to payroll officers emphasizes to employers that although new withholding rules have been in effect since early this year, many employees have not filed Forms W-4 to claim all the allowances to which they are entitled. According to Mr. Beck, the letter urges employers to distribute the new Forms W-4 to all employees and asks them to check their withholding situation.

The notice to employees, intended to be posted on company bulletin boards, points out to employees that too much Federal income tax may be withheld and the employees' take-home pay reduced unnecessarily unless they file a new Form W-4 with their employers.

He emphasized that an employee who has only one job and does not have a wife or husband who works should file a new W-4 and claim the "special withholding allowance." But, an employee who has two or more jobs may not claim the "special withholding allowance."

Employers may secure supplies of the new Form W-4 from IRS offices beginning October 1, he said. Employees should obtain Forms W-4 from their payroll office or the Internal Revenue Service.

CHRISTIAN SCIENCE CONFERENCE PRODUCTIVE

New challenges and opportunities for Christian Scientists throughout the world were examined at a five-day conference in Boston attended by James O. Miller, the Committee on Publication for Illinois.

More than 130 Committees on Publication from Asia, Africa, and Europe, as well as North and South America, attended the conference which was held November 13-17 at the new Christian Science Center which

serves as international headquarters for the denomination.

"The new Center is striking evidence of the growth of Christian Science throughout the world. I was especially interested to hear about the increased interest in Christian Science in Latin America," Miller said.

David E. Sleeper, a member of The Christian Science Board of Directors, who recently returned from a six-week tour of Latin America, gave a firsthand report to those attending the international conference.

Other members of The Christian Science board of directors, the denomination's top administrative body, also attended a session of the conference. The Chairman of the board, Arthur P. Wuth, addressed the group.

Christian Science Committees on Publication are located in more than 50 countries. Each Committee is a committee of one, serving as a spokesman for the Church of Christ, Scientist, in his area.

"The Higher Mission of the Christ-Power," the theme of the conference, was developed through displays, panel discussions, addresses, and audio-visual presentations.

DECORATE CAKE AND BE SANTA CLAUS TOO

Now you can decorate a cake and play Santa Claus at the same time!

Norman M. Wilton, President, Wilton Enterprises, Inc., has announced that anyone sending his company a contribution of \$1.25 or more for the Neediest Children's Christmas Fund will automatically receive a copy of the Wilton "Cake & Food Decorating Year Book."

Wilton explained that his company is making the offer to generate as much public support as possible for the fund.

The Neediest Children's Christmas Fund was started by Case Workers at the Cook County Department of Public Aid for the children of families suffering extreme hardships.

"I personally believe we are all obligated to do as much as we can for this fund," Wilton said. "Every penny given goes directly to the poorest of the

poor who would not receive even a candy cane if it were not for this fund."

The Wilton "Cake & Food Decorating Year Book" is a perennial best-seller, and over 600,000 have already been sold this year. It contains over 200 pages of full-color photography, and is brimming with 12 months of party ideas. Each section has complete instructions on how to achieve professional-looking decorating effects.

Contributions of \$1.25 or more should be sent to: Wilton Enterprises, Inc., Dept. NCF-112, 833 W. 115th St., Chicago 60643. Checks and money orders should be made out to "Neediest Children's Christmas Fund."

All proceeds received will be automatically donated. Postage, handling, and all other expenses will be paid for by Wilton Enterprises, Inc.

With a Stern Eye

It all began on Saturday morning. We were within a half hour of closing when they arrived at the counter, running down the short hall from the lobby, hand in hand. "We want a Marriage License", said the young man, his seaman's hat over one eye.

"All right," I said briskly, my hand out to receive the blood tests. He put his arm around the girl who was even tinier than he. Neither was more than five feet tall. She was a WAVE with a dollface, faintly oriental.

Had I realized the sort of protracted hassle that would result, I probably would have accepted the Lab report from the Naval Base without comment and borne the infraction on my conscience forever - but the truth was he didn't have a Physician's Certificate as required by Illinois Law and it seemed an easy enough thing to ask them to go back to Great Lakes and get one. I explained what was required and how easy it would be to get. They looked at me, eyes large and hurt, like children.

"I think I'm about to cry,"

said the young man in a South Carolina accent.

"Oh please don't do that," I said. "Please." My deputies know the sort of marshmallow I am in these situations and generally try to protect me from hard decisions. But everyone else was busy with his own tasks. I had to handle it.

"I'm really sorry," I said. "But the law--" They looked at each other, lips trembling, and then trustingly back at me. Good grief! "Listen kids. We close in a little while, but here's my home address--" I scribbled it on a scrap of paper, "and my phone number. I'll be home after 3:30. You go back to the base, get the Physician's Certificate and come to my house after 3:30. O.K.?"

They nodded tremulously and ran back through the marble hall as though speed were of some urgency. We closed the office, I did the marketing and some uninteresting errands and then arrived home around 3:30. About 4:15 the telephone rang. It was the Sheriff's office:

"Mrs. Stern, did you give your name and home number to a couple this morning?"

"Oh yes, as a matter of fact I did. Tiny kids, they were, both in the Navy and--"

"All right then. We were just checking. They're out at St. Therese Hospital, and it seems they lost the paper you wrote it on. I'll give it to them again as long as you know about it."

Oh my! I sighed and hung up and waited. About 5 I decided to change my clothes; I was to meet my husband in Chicago at 6:30. At 5:20 the phone rang.

"Miz Stern? It's Charlie."

"Charlie? Oh yes, of course. Charlie."

"We're at Route 22 and 41. Are we close?"

"Not really, Charlie." And I went on to direct them to the right exit, ticking off the stop lights, the forks in the road and the stones that mark our driveway --

"Oh Gawd," said Charlie, and there was real panic in his voice. "We'll never find it. Can't you meet us halfway?"

"Charlie, for heaven's sake! I'm half dressed to go out, I can't -- Listen now while I run through it again. It's not hard." And I began once more with Deerfield Road to the stop-light at Green Bay -- His breathing on the other end was becoming a snuffle. "Charlie, can you hear me. Now listen. It's very simple. You just -- Oh hell! Charlie listen: I'll meet you at the Standard Oil Station at the corner of Green Bay and Deerfield Road -- the northwest corner. Mac's Standard Service. In fifteen minutes. Okay?"

I got there first, and by the time I had explained my mission to the fellows that had the Saturday night shift Charlie and Olivia drove up. The car was small and yellow and like that wonderful classic clown routine, about fourteen people (all in Navy dress) got out of it.

There, to the hiss and thump of the grease rack, before the bemused eyes of the young men in Standard coveralls, I issued the license which would permit Charles Edwin Greer Jr. of Belvedere South Carolina, to marry Olivia Cruz DeCastro, born in the Phillipine Islands. Charlie was 19 - Olivia 18.

"All right," said Charlie when I had finished. "Now who's going to marry us?"

After a horrified silence, I began on the yellow pages of the phonebook. But it was not to be. The Presbyterians, the Episcopalians, the Evangelicals and even the Unitarians go out on a

It seems everyone I've talked to had a lovely Thanksgiving holiday, ate too much and are dieting now to be in shape for the Christmas holidays. Not much time to get in shape though as Christmas is a very short 4 weeks away.

The Tom and Harriet Runyard family had a very happy Thanksgiving dinner when 30 members of their family gathered at Mike and Mary Jo Zeien's home last Thursday.

John and Marg Runyard and family spent last week at their cabin up north. They were joined Thanksgiving day by Rich and Kathy Behren's and family. The deer hunting was

Saturday night just like everyone else, and there was nothing to be done. I sadly took my leave and drove over the ringing hose of Mac's Standard Service, and to Chicago.

It was not until Monday that the story was to end - fraught as it had been right along, with suspense and uncertainty. Around noon, Charlie appeared at our counter to ask how long our clergyman of the day would be on duty that afternoon.

"Until five," I said. "But Charlie, haven't you been able to get married up to now?" "What about the chaplains on the base?"

"Aw them fellers would want to give us pre-marital counseling," he said. "We'll be back this afternoon."

"Don't thing they won't want to give you pre-marital counseling here," I shouted after him as he disappeared into the lobby. "A couple of harebrained kids like you two --" I was still mumbling long after he had disappeared.

At one minute past 5 it occurred to me, that no one had seen Charlie. By this time the whole office was involved. "Where's Charlie," Marilyn asked. "Charlie's going to miss out again," said Dottie. Everyone was concerned. Then the sound of running footsteps and Charlie and Olivia, hand in hand and oblivious to such nonsense as clocks, appeared before us.

"Good Lord Charlie, you're too late," I said. The lips began to tremble, the eyes to well and the chins to quiver. "Oh come on!" And I grabbed them by the hand and we ran across the lobby to the courts elevator. We hurried off at the second floor and I banged on the steel door of the Lake County Service for Counseling and Marriage.

Rev. Royal Speidel, looking harrassed and hot, opened the door. Over his shoulder I could see an entire bridal party. "Terribly sorry, I mumbled. "Didn't mean to interrupt, I just didn't know if you were still here. Clumsy of me. I just - these kids have been chasing someone to marry them all week-end. I just--"

He suggested they wait outside. I mumbled something more. He closed the door. I blessed my charges with an embarrassed wave of the hand and plunged back into the elevator. "Thank you ma'am--" I could hear Charlie calling after me. "Thank you--" Good Grief!

not successful while there and not enough snow for snowmobiling but a good time was had by all anyway.

There is a very proud 14 year old boy in our area by the name of Paul Chase. Paul is the son of Dorothy and Tom Chase and was up north in Marion Wisconsin last week with his grandfather, Louis Galetka, deer hunting. Paul shot his first deer, a doe, with one shot, right in the heart, which is something many of our more seasoned hunters can't boast of. By the way, grandfather Baletka also bagged a deer.

Dorothy Chase was one of the chaperones that accompanied 67 members of the Chain O'Lakes 4-H Club to the Chicago Amphitheater for a Rodeo and performance by Loretta Lynn, last Saturday night.

Happy Birthday last week to Jeff Lemke on the 21st, to Dick Harland who celebrated on Thanksgiving Day, to Lorraine Lemke on the 24th and to Lyle Rogers who cuts his cake on November 28th.

College students home for the holiday weekend were Dave Koppa, son of Mr. and Mrs. Hal Koppa, Sharon Morgan, daughter of Howard and Mary Morgan and John Bjork son of Don and Barb Bjork.

Let me know the news.

PENALTY FEE FOR LATE ENTRIES AT EAGLE RIVER SNOW RACE

There will be a \$10 late filing fee added to regular entry fees for all classes excluding juniors, racing in the tenth annual World's Championship Snowmobile Derby, Jan. 19-21 at Eagle River, Wis.

All on-time entries must be received no later than Jan. 15, accompanied by the entry fee, in order to avoid the late filing fee. Entry fees are \$75 per driver for qualification and possible competition in the World's Championship feature race, a Sunday, Jan. 21 feature, and \$30 per driver is the regular entry fee for class racing, plus a minimal insurance fee required by the sanctioning United States Snowmobile Association.

Bud Rismon, registration, chairman, reported that there is great interest in the coming event, and that many requests have been received for driver entry fees at this time.

The Eagle River race is one of three Northern Wisconsin races in snowmobiling's first Triple Crown series. Following the Eagle River weekend, the Rhinelander Hodag Marathon and Sprints will be held, Jan. 26-28, with the final Triple Crown event at Antigo, Feb. 3-4. Drivers who compete in all three races are eligible to win a portion of a special \$3,000 Triple Crown purse, posted as an addition to cash awards at each of the individual races.

Eagle River entry blanks and registration information is available by writing Bud Rismon, Box 150, Eagle River, Wis. 54521.

"TORK" TALKS

by: "Tork" Torkleson

TIRES CONTINUED

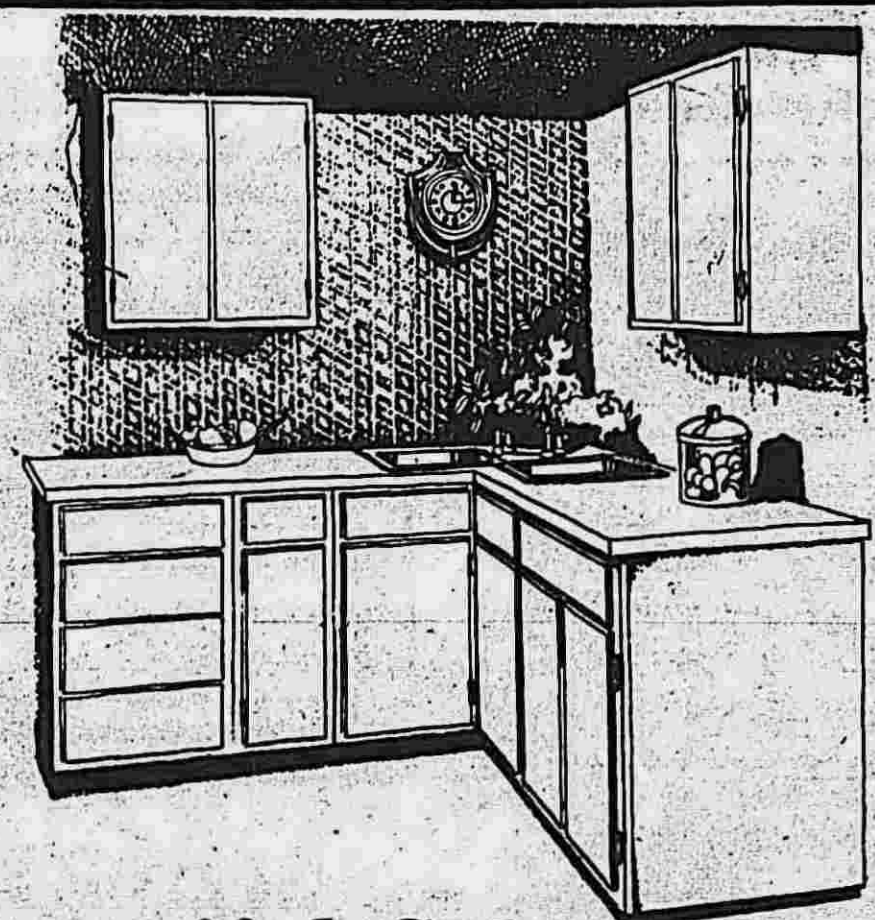

Tire durability and handling characteristics depend to a great degree on the individual make and model of car, tire balance, suspension system, distribution of weight on the wheels, general road-and-load conditions in daily operation, and individual driving habits.

Remember that tire life and durability depend on: proper periodic inspection, of tires, maintenance of correct tire pressures (according to the tire sticker on your car); plus correct front-wheel alignment.

This kind of attention will give you the most for your tire money, regardless of what type of tires you have.

Should you choose white-walls (if optional, and not standard equipment on the model you select) over tires with black sidewalls? Most buyers do. And white sidewall tires can help sell the car to the next buyer. On the other hand, some buyers prefer other tire appearance options such as red-line sidewalls or raised white letters.

HOW DOES THE SCHOOL BUDGET WORK?

When considering the referendum some people may question the school budget. How does the school budget work and where is the money going to? For those people the following is the most complete and concise picture of the school budget that can be obtained.

The school budget is a composite of various groups of accounts called funds. The number of funds to be maintained by a particular school district depends on the nature of its operations and on the number of its tax levies rather than on the size of the district.

In the case of Antioch Community High School, we maintain seven (7) funds out of eleven (11) funds that the State law permits. The seven (7) funds and their proportionate share of the total tax rate are as follows:

Total Tax Rate (1971 levy)

1. Educational Fund - 92 cents (46.6 percent of total rate)
Administration
Instruction
Attendance
Helath.
Fixed charges
Student and Community Services
Capital Outlay
Liability Insurance levy -1.3 cents (.7 percent of total rate)

2. Building Fund - 25 cents (12.7 percent of total rate)
Operation
Maintenance
Fixed Charges
Capital Outlay
Special Education Building levy - 2 cents (1.0 percent of total rate)
Fire Prevention and Life Safety levy - 5 cents (2.5 cent of total rate)

3. Bond and Interest - 48.9 cents (24.7 percent of total rate)
Fixed Charges
Bond Principal Retired

4. Transportation - 12 cents (6.1 percent of total rate)
Operation
Maintenance
Fixed Charges
Capital Outlay

5. Illinois Municipal Retirement Fund - 6.4 cents (3.2 percent of total rate)
Fixed Charges

6. Site and Construction (Paid out of Bond and Interest Fund)
Capital Outlay

7. Working Cash - 5 cents (2.5 percent of total rate)
Transfer to Educational Fund

The school budget is simply the statement of the school's educational plan. It is a complete cycle which involves:

1. The formulation of various

- programs;
2. Utilizes the various funds and the money generated through tax levies to
3. Translate programs into dollars;
4. Priorities must be established;
5. Cuts are usually made;
6. Budget is formalized before third week of September.

BUS DRIVERS DRIVE DEFENSIVELY

A Defensive Driving Course will be offered to all Grade School and High School bus drivers. The course will be sponsored by the Illinois Traffic Division. It will be held at the grade school on December 29th and will consist of an eight hour session. The course is thought to be a very helpful and important one and it is hoped that all will benefit from it.

FIREMEN REFRESHED

Antioch's firemen have just completed First Aid Training Refresher course. This first aid course is taken every three years in order to renew the Department's first aid certificates. The course is sponsored by the Antioch Rescue squad and consists of two night sessions. The sessions were held on November 14th and on November 28th.

ILLINOIS BELL FILES FOR RATE CHANGES

Illinois Bell Telephone today filed with the Illinois Commerce Commission a selective number of rate changes which would increase annual revenues by \$20.8 million. More than half of the increases would go for taxes.

President Charles L. Brown emphasized that the changes are not "across the board" increases. "No basic residence-tail or business rates are involved," he said. "These increases will only bring our earnings up to the minimum level the Commerce Commission found necessary in its order of August 11, 1972. This order found that a return on the fair value of our properties of at least 7.33 per cent was fair and reasonable. However, by the Commission's determination of fair value we are earning only 6.90 per cent. It is crucial that we maintain reliable telephone service in Illinois. To do this we must have adequate earnings."

The tariffs are filed to become effective December 22. Rate adjustments include monthly charges for residence extensions and residence touch-tone packages, foreign exchange (FX) lines, key telephone systems, business extensions, private branch exchange (PBX) equipment and terminals, Centrex service and administrative and dormitory service.

Following is a summary of

proposed changes:

Residence extensions: The monthly charge for residence extensions would increase 20 cents, from 75 to 95 cents. Extensions on the two-line Family Plan would go from \$1.45 to \$1.85.

Rates for the touch-tone residence package - which includes Touch-tone service and princess and trimline telephones - would increase 40 cents to \$5.25 per month. Additional telephones with the residence package would remain at \$1.30. The two-line Touch-Tone package would increase 75 cents to \$7.50, and charges for each additional telephone would increase 20 cents to \$1.95.

Business extensions: The monthly charge for business extensions would increase 25 cents to \$1.40.

Foreign Exchange (FX) rates: Mileage charges for FX lines would be increased at all mileage steps. Those measured on a per mile basis would increase 60 cents per mile from \$4.50 to \$5.10 per mile.

Key telephone systems: Most features and equipment used with key telephone systems such as 1-through-6-button key telephone sets, Call directors, intercom systems, and some line charges would receive increases. Charges for 10-button key sets and 12 button key units would be decreased.

WE WISH TO THANK ALL THE PEOPLE OF ANTIOCH AND SURROUNDING COMMUNITIES.

GRAND OPENING ENCORE

DUE TO THE EXTREME SUCCESS OF OUR GRAND OPENING WE WILL REPEAT IT AGAIN

One-time charges such as service connections, moves and changes would not be affected.

Private Branch Exchange (PBX) Monthly charges for equipment and terminals would increase. There would be no increase in one-time charges.

Centrex service, and Administrative and Dormitory Services: Monthly charges for Centrex terminals, extensions, auxiliary features and consoles would be increased. Increases would also be applied to administrative telephones at hospitals and colleges. One time charges would not be affected.

JOHN P CHARMICHAEL AT RIFLES SCHOLARSHIP DINNER

One of the outstanding sports personalities in the country, John P. Carmichael, will be the featured speaker at the annual scholarship dinner of the Quarterback Club of the Lake County Rifles Professional Football Team.

The banquet will start with cocktails at 5:00 p.m. and dinner at 6:00 p.m. on Sunday, December 3, in the Brae Loch Country Club on Highway 45 north of highway 120 near Grayslake, Illinois.

Nearly \$1,000 in scholarships will be presented to Lake County high school athletes to further their education. Trophies will also be presented to all-star high school football players selected by the Club and Lake County high school coaches.

In addition, back Cliff Boyd will be honored as the outstanding offensive player and Tony Bertuca, a corner back, as the outstanding defensive performer for the Rifles in 1972.

Tickets for the event may be obtained from Quarterback Club members, the Lake County Rifles office at 117 E. Cook St., Libertyville, and at the dinner. Donations are \$7.50 each and help to pay for the scholarships.

Carmichael currently is on the staff of the Chicago White Sox. Until his retirement recently he helped author the Barber Shop column in the Chicago Daily News where he worked since 1932. Prior to that time he was a police reporter with papers in Chicago and Milwaukee. He attended Champion College, Prairie du Chien, Wisconsin, and the University of Wisconsin.

An outstanding speaker, Carmichael's sports stories are as easy and unstudied as locker-room banter between teammates after a game and carry a naturalness and vividness that approach the television touch. For Carmichael's words are often the words of the sports figures about whom he writes. His "Barber Shop," peopled with pin-point portraits of colorful

folk of the sports world, is alive with human interest sidelights.

Keith Ryan, sports director of WKRS radio, will be the master of ceremonies at the Rifles Quarterback Club scholarship banquet.

Quarterback Club members promised that with Carmichael and Ryan and other sports personalities and that with the awarding of trophies, a memorable evening is in store for every adult and youngster who attends the dinner.

The entire family is urged to attend as the evening is expected to be a truly outstanding one and many well known sportsmen will be in the audience. The dinner is sponsored by both the Quarterback Club which awards the scholarships from funds collected for this event and by the Rifles Football Team.

Tickets may be purchased from Quarterback Club members at the Rifles Office at 117 E. Cook St., Libertyville, and at the dinner. Donations are \$7.50 each.

A FULL SERVICE BANK

Nine Chicago area student-athletes have been named to the varsity basketball squad at MacMurray College in Jacksonville, Illinois. Named to the squad were (kneeling, left to right) David Koppa of Antioch, Rodney Miller of Chicago (De LaSalle), Van Hante of Evergreen Park, Darryl Royster of Chicago (De LaSalle), and John Blaz of Mundelein (Carmel). Standing (l-r) are: MacMurray head coach Bill Wall, Frank Gardner of Chicago (Fenger), Ken Magnus of Deerfield (Stevenson), Tom O'Brien of Evergreen Park, Tom Spread of Chicago (Taft), and assistant coach Bob Gay. Coach Wall is immediate past president of the National Association of Basketball Coaches.

KOPPA NAMED TO MACMURRAY SQUAD

David Koppa of Antioch has recently been named to the varsity basketball squad at MacMurray College in Jacksonville, Illinois. The MacMurray College basketball Highlanders will be taking on a tough 23 game schedule as they will face Illinois State, Bowling Gree, Middle Tennessee State, and Loyola of Chicago in the upcoming campaign which opens Saturday, December 2nd at Bowling Green.

Antioch wishes MacMurray College and especially David Koppa luck in their upcoming season.

RULES OF THE ROAD PRINTED IN FOREIGN LANGUAGES

Secretary of State, John W. Lewis today announced that Rules of the Roadbooklets in Spanish, Polish, German and Italian are being distributed to all Drivers License Examining Stations throughout the state.

Secretary Lewis stated that each station will have copies of all four foreign language editions by December 1.

Lewis said the new editions will enable foreign-speaking residents of the state to study the Rules of the Road in their own language before attempting to obtain an Illinois drivers license.

Downstate distribution of the booklets includes 300,000 Spanish, 50,000 Polish, 50,000 German and 50,000 Italian. Initial distribution to the Chicago facilities the first of the month included 150,000 Spanish, 50,000 Polish, 50,000 German and 50,000 Italian.

Copies of the booklets are available by mail by writing to the Office of the Secretary of State, Shipping Division, Centennial Building Springfield, Illinois 62756.

Illinois History Quiz

Prepared by the
Illinois State Historical Society
Old State Capitol, Springfield 62706

1. How many of Illinois' six state capitols are still standing?
a—six; b—five; c—four; d—three
2. Who was the only man to be elected governor of Illinois three times?
a—Richard Yates; b—Richard J. Oglesby; c—John M. Palmer; d—John Wood
3. What is the state flower of Illinois?
a—dandelion; b—marigold; c—violet; d—rose
4. What was the first name of Abraham Lincoln's oldest son?
a—Roger; b—Robert; c—Ronald; d—Robin
5. How many states were in the Union when Illinois was granted statehood?
a—10; b—20; c—30; d—40

(Answers on page 24)

Illinois History Quiz Answers

- 1—d, three; the Old Statehouse at Vandalia; the reconstructed Old State Capitol and the current Capitol at Springfield.
- 2—b, Richard J. Oglesby, who was elected in 1861, 1872, and 1884; ten days after his inauguration in 1873 he resigned to accept a seat in the U.S. senate.
- 3—c, violet.
- 4—b, Robert; he is usually referred to by his full name, Robert Todd Lincoln.
- 5—b, 20.

GOOD PSYCHOLOGY

YOU CAN HELP A CHILD'S MIND GROW BY ANSWERING ALL OF HIS LEGITIMATE QUESTIONS. TELLING A CHILD THAT HE'S NOT "OLD ENOUGH" TO UNDERSTAND MIGHT INDICATE YOU'RE NOT "OLD ENOUGH" TO SATISFY HIS NEED TO KNOW.

What makes a home warmer in winter and makes it cooler in summer?

Insulation. The better your insulation, the less heat you lose in winter. Your heating system doesn't have to run as often or as long to keep you warm.

The same insulation that helps you keep heat inside in winter helps keep it outside in summer. Even if you don't have air conditioning, insulation puts a barrier between you and the heat outside. If you have air conditioning, you'll find it doesn't have to work nearly as hard to keep you cool.

What is proper insulation? Recommendations vary with the type of construction. With electrically heated homes, we recommend the equivalent of 6" in the ceiling, 4" in the walls, and 2" in the floor. In all cases, the better the

insulation, the more efficiently the heating and cooling system will operate.

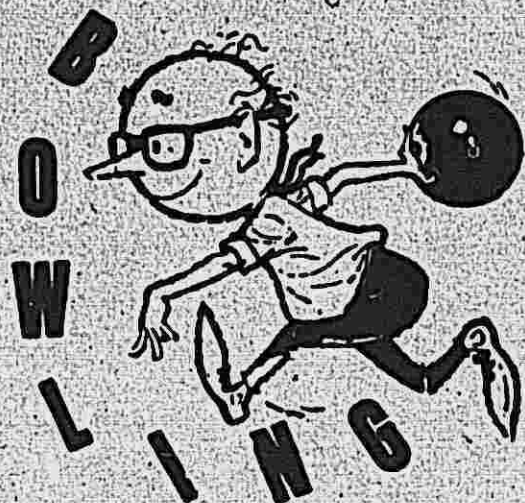

If you're building a new home, check with your builder to see that you're getting the maximum insulation for your living space.

If you feel your present house is under-insulated, an insulating contractor or supplier can show you how to improve it. Besides living in greater comfort all year 'round, you'll save money—and help conserve energy. And that's important today!

The Antioch News SPORTS

INTER-ACT TO SPONSOR LAKERS GAME

The Antioch Inter-Act Club is sponsoring the Lake County Lakers basketball game here on December 2nd. The game will be played in the High School gym.

The Lake Co. Lakers are a professional basketball team and the defending champions of the Continental Basketball Association. The C.B.A. is comprised of six teams: The Lakers, The Rockford rockets, the Decatur Bullets, the Grand

Rapids Tackers, the Flint Pros and the Pontiac Cappelals.

The Inter-Act Club is making this their money-making project and will receive half of all advance ticket sales. For an entertaining evening buy a block of tickets and go with a group. The Rotary Club will have tickets for sale as well as Inter-Act boys. For information or tickets phone Inter-Act president, Mark Crawford, 356-7193.

SOPHOMORE MATMEN BLAST ZION

The Antioch High School Sophomore Wrestling Team celebrated PARENTS NIGHT and the opening of the 1972-73 season with a solid 38 - 14 home victory over the Zion Benton Zee-Bees. The Sequoits scored in nine of twelve matches, and jumped to a quick 20 - 3 lead after losing a close 9 - 7 decision at the 98 pound weight class. Sophomore Coach Steve Wapon cited Bill Hogan and Art Meyer for their contributions in the Zion match. Bill Hogan scored a whopping 17 - 2 superiority decision in his first match on the Antioch starting line-up. Art Meyer, making his wrestling debut, scored a third period fall over an experienced Zion heavyweight.

The Antioch Sophomores open defense of their N.W.S.C. crown when they meet Warren in the

conference opener for both teams on Friday, December 1, 1972 at Warren High School beginning at 6:45 p.m. The following afternoon, December 2, 1972, the Sequoits travel to Dundee High School for a 1:00 p.m. match.

SOPHOMORE WRESTLERS ZION BENTON at ANTIOCH

98 Parpan lost 9 - 7
105 Thain won 11 - 0
112 Shaffer Pinned in 4:57

126 Hogan won 17 - 2
132 Riedlinger won 8 - 3
138 Olsen drew 5 - 5
145 January won 16 - 6
155 Jones lost by pin
167 Morgan lost 6 - 0
185 Eastman won with pin :52
HWT Meyer won with pin 5:26

Final team Score Antioch 38
Zion 14

SEQUOITS THROW THE ZEE BEES'S

This year's Wrestling Sequoits started the season with a bang or it may be more appropriate to say that they started the season with a "thud." There were many thuds to be heard as the Sequoits threw over the Zion Zee Bee's with a score of 38-9 last Wednesday night.

Bennie Garcia took on Jesse Alfaro in the first match to be narrowly defeated with a score of 5 to 4. Zion's hopes were probably soaring at this point, but they were to see only two similar matches that night.

Following Garcia's close match, John Roberts took the floor and pinned his Zee Bee opponent in 5 minutes and 40 seconds, scoring six points for the Sequoits. Steve Shaffer and Tom Rayniak were both able to pin their opponents in 3 minutes and 34 seconds.

Both Sequoit wrestlers Keith Larson and John Thain received "superiority decisions" as they surpassed their opponents by more than ten points. Both boys contributed a total of four points each to the Sequoits climbing score, that amounted to a total of 39 points in comparison to Zion's 9 points.

In reference to last Wednesday's successful match Coach DeRousse said, "For the first match we did pretty good, Zion had beaten us last year so we had a little extra reason to win this one."

DeRousse further commented, "This is the best schedule that we have ever had in the history of wrestling here at the High School. The competition will be better than ever and this will probably be our toughest schedule as well."

The Sequoits will open the conference this Friday as they take on Warren. The match will take place at 6:45 in the Warren Gym.

Despite the cold weather these enthusiastic freshmen were busy out on the field getting ready for their inter-squad game to be played today. (Staff Photo.)

FOOTBALL CLINIC SUCCESS

Today, Wednesday the 29th, marks the end of the first freshmen football clinic at the Antioch High School. It is not a sad ending, however, as it will end with an inter-squad game with all of the participating boys displaying their newly found talents. Everyone will get a chance to play and the game will be complete with kick-offs, punts, 8 different plays and pass patterns.

The response to the Clinic has been great, a total of 64 boys signed up for it, and this number has dropped only slightly since the clinic began two weeks ago.

The purpose of the clinic was

to teach the Freshmen boys the fundamentals of football and to give them some basic experience with the game. And the clinic did just that as the boys met on the football field each night at 3:15 and worked out until 5:00. The fruits of these efforts will be realized and appreciated next year when the season begins and the coaches have some experienced players to work with.

All of the football coaches plus Mr. Sandberg took part in the training of the boys. Coach Nelson said that the clinic was very successful and that many of the boys demonstrated some very fine talent.

Antioch high school freshmen line up on the scrimmage line as they absorb the fundamentals of football. These boys have just completed a football clinic, that was designed to help train the boys for the up-coming season. (Staff Photo)

WESTERN U WRESTLERS SHOOT FOR NATIONALS

Nationally recognized Western Illinois should have its strongest wrestling team in history this season. "We will be extremely strong from 142 pounds through the heavy-weight division, barring any injuries," says head coach Bob McMahan.

Eight returning lettermen will bolster McMahan's squad which finished 12th place in the NCAA college division last season.

The top returnees include three All-Americans, national runnerup last season in the heavyweight division, Jim Woods (Bloom High School), a junior; Jim Kulpa (Tinley Park) who has a two year record of 37-5; and a senior Joe Protsman (Keokuk) who finished 5th in the competition as

a sophomore.

Kulpa wrestled as a 177 pounder last season and may move up to the 190 pound classification this year. Protsman could wrestle up two weights to the 158 pound category.

Other wrestlers who McMahan feels could place in the national tournament include Joe de Paulo (Tinley Park), sophomore, who was 14-4-1 last season; senior Mike Richart, (DeWitt, Ia.), 13-4-1; three year letterman Roger Glisan (Ft. Madison, Ia.), senior; Steve Mertens (West Bend, Wisc.) a two time letterman, junior; and Bob Renslow (Gary, Ind.), a junior, who saw a considerable amount of action last season.

Another addition to the squad is Max Branum (Park

Forest), a senior and transfer from Wayne State Nebraska who has the best credentials of any previous Western wrestler. He was a state champion in high school and placed three times in the NAIA nationals. "I feel the success of this senior wrestler could determine the success of our team this year," says McMahan.

"We will also count upon three transfer wrestlers to help bolster our chances," the coach said. The three are Joe DiPrizio (West Leyden) who won 28 matches at Triton Junior College; Rick Nelson (Antioch) who wrestled in the nationals for the Coast Guard Academy; and Ed Dietz (Lanark) who gained a semi-final rank in the junior college nationals last season for Black Hawk,

TIE FOR FIRST IN BARRINGTON TOURNAMENT

The Sequoits did Antioch proud in the Barrington Tournament played over the Thanksgiving holidays. The Sequoit won two out of three games and they did it in style.

Coach Andrews reaffirmed this as he said, "I was real pleased with the way that the kids played, they showed a lot of poise and determination to do the job up right and as Defending Champs they gave a good account of themselves."

The Sequoits tied for first with Elgin Larkin, and Mundelein, who all held a record of two wins and one loss.

On Wednesday night the Sequoits took on Barrington and were able to defeat them 75 to 69. Tim Mieuire came on strong as he scored 26 points, Mark Andrews was not far behind him as he scored a mighty 24 points. McGuire and Janosko were right in there pitching as they scored 10 and 12 points respectively.

Personal Fouls were hot and heavy during the game. Our Sequoits had a total of 16 fouls hanging over their heads, but managed to distribute them pretty evenly and no one had the misfortune of fouling out. Barrington was not so lucky, however as they lost three of their players.

Friday's game was not without excitement either. The Sequoits readily displayed their athletic abilities and were able to beat Mundelein with a total of 65 points over 56 points.

Tim Mieuire, true to form, once again scored a total of 26 points. Andrews did not follow his Wednesday night's performance scoring only nine points, however, the slack was picked up by Vic McGuire as he scored 14 points. Vic was also busy with rebounds and was able to make a startling total of 18 of them. He certainly played a fine game even though he suffered the misfortune of fouling out. He was not alone in his plight, however, as three of Mundelein's team found themselves in the same situation.

The Sequoits winning streak of the two nights gone by was dwindling as they faced Elgin Larkin on Saturday night. The Sequoits were downed by ten points and when the final signal sounded held only 64 points to Elgin's 74 points. Several things seemed to be working against the Sequoits that night.

To begin with their sharp shooter Tim Mieuire was heavily guarded and missed many shots, although he did come through with 15 points for his team. The teams rebounding seemed to break down, which really hurt the Sequoits. It could also be noted that Elgin had two 6'5" players running up and

down the court.

Although the Sequoits did not manage a victory that night, there are several highlights that should be mentioned. Mark Andrews played a great game, scoring 20 points and making 7 rebounds, Vic McGuire held his own and came through with 15 points and 13 rebounds and Mike Gutowski contributed 8 points.

The last few minutes of the game gave everyone a start as a new Sequoit face appeared on the court and scored a quick two points. Mark Maras, a 6'4" senior was this late comer. He did a rather impressive job and is likely to be seen on the court more and more in the near future.

The Sequoits were honored at the end of the Tournament as two of their players, Tim Mieuire and Mark Andrews, were selected for the All Tournament Team. Congratulations to these players and to the Sequoits for a job well done.

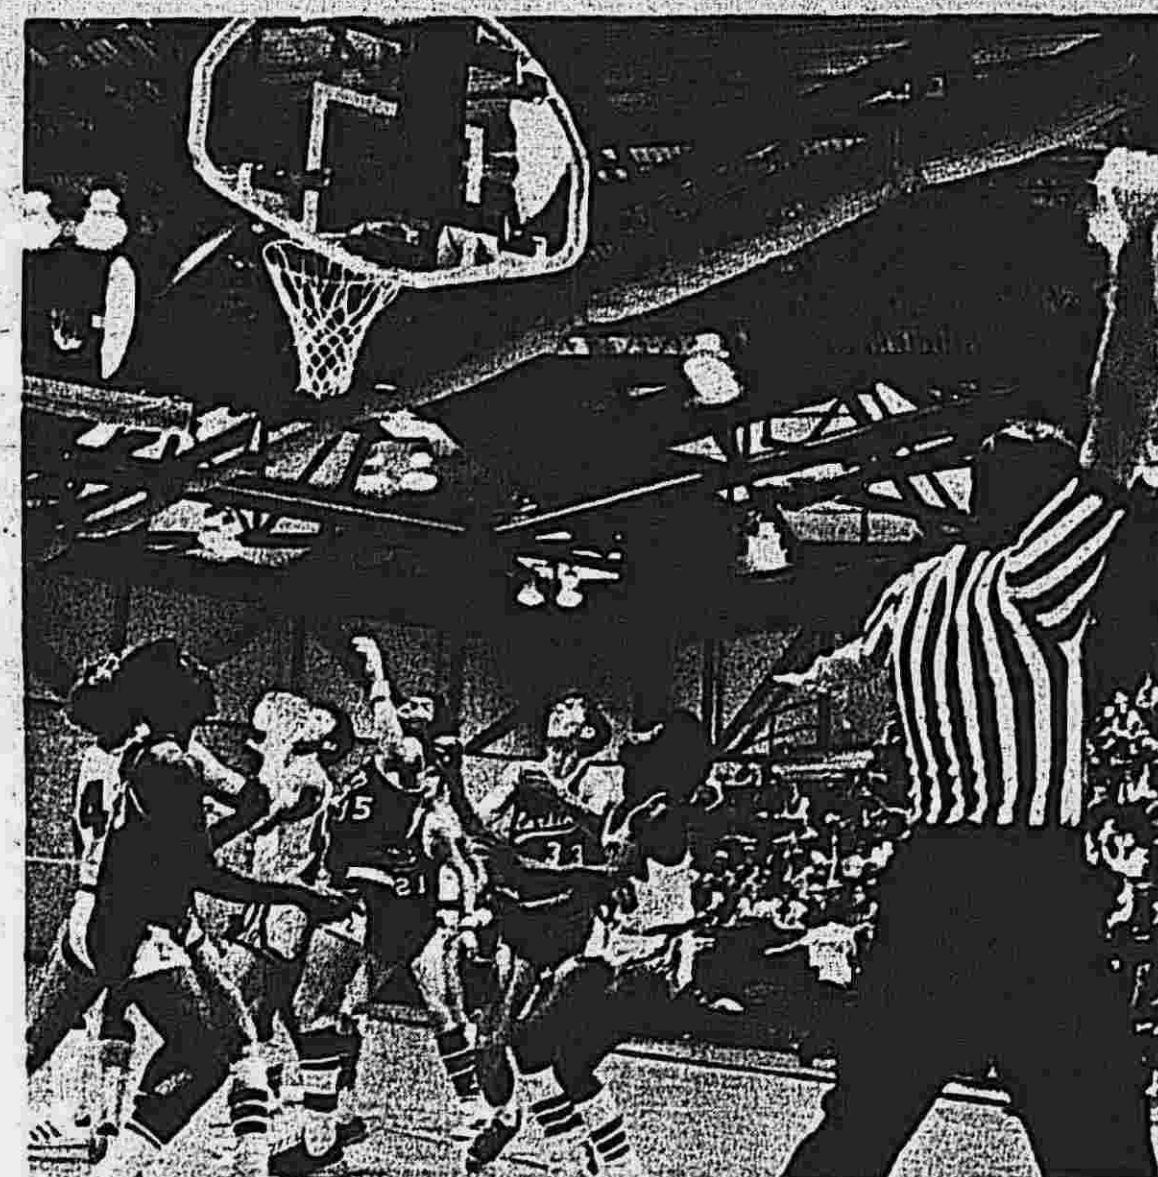

However, their job is not by any means completed, this Friday they will play their first conference game against Warren here in Antioch. On Saturday, they will travel to Wisconsin and they will tackle the Kenosha-Treper team. It should be noted that the Sophomores will begin their game at 6:15, which is a little bit earlier than usual, the Varsity Game will begin at 8:00 p.m.

Tim Mieuire, although heavily guarded struggles to make a basket last Saturday night as the Sequoits played Elgin Larkin in the Barrington Tournament. (Staff Photo)

Though the Sequoits fought hard to beat Elgin Larkin, in the end they were downed by ten points losing 64 to 74. Regardless of their loss the Sequoits tied for first place in the Barrington Tournament along with Mundelein and Elgin Larkin. (Staff Photo)

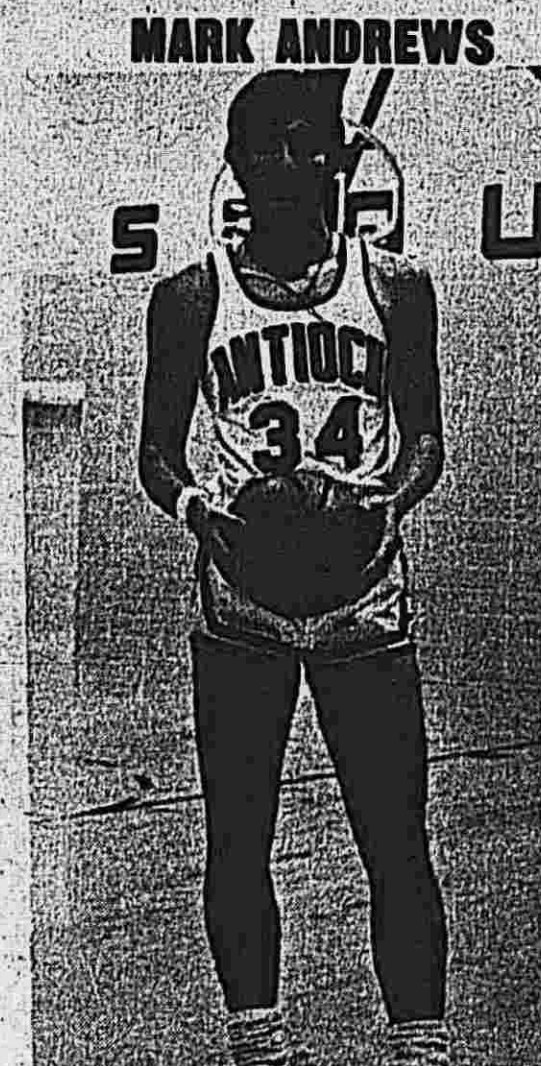

SOPHS TAKE FIRST PLACE IN THE BARRINGTON TOURNEY

The Antioch Sophomore basketball team won the Barrington Tournament over the Thanksgiving Vacation by defeating Barrington 55 to 36, Mundelein 57 to 48 and Elgin Larkin 36 to 35. The Sophomores now have a record of 4wins and no losses. The fourth win was in the season opener when Antioch came from behind to defeat East Leyden 60 to 51 in a double overtime.

Members of the Sophomore squad are: Bruce Tossey, Terry

Lear, George Pierce, Kevin Walpole, Mike Witt, John Walker, Mike Perrone, Bill Simonsen, Dan Ducommun, Russ Albano, Mike Grindley and Larry Smith.

The four victories thus far are due to an outstanding effort by every member of the team. coach Allen has been especially pleased with the ball handling of Bruce Tossey, the scoring and rebounding of Mike Witt, Mike Perrone, Russ Albano, and Kevin Walpole.
